**THE
ENEMIES OF LOVE**

by Dom Aelred Watkin

The keynote of this book is that 'human love—if rightly understood—is divine Love translated into terms of human experience.' Dom Aelred writes to show how the obstacles to understanding may be overcome by each of us, especially those just discovering the richness and complexity of their emotional life.

**COMMUNION
THROUGH PAIN**

Mary Jackson, T.O.S.D.

This book is written for all those who suffer in the body, and especially for those who are chronically sick. The author, who has experienced a lifetime of pain and disability, wrings from this suffering a deeper understanding of the love of God and the way in which invalids can share in the pain of Christ. A moving, inspired, yet most practical book. 6s. 6d.
