

The MIT Press

TOWARD THE YEAR 2000

Work in Progress
edited by Daniel Bell and Stephen R. Graubard

Important for its intellectual energy and for its insightful sharpness into the nature of American society, this reissue of a classic of futurism (first published in 1967) also assesses the original project, which commissioned the views of eminent thinkers on the future.

Journal of Applied Philosophy

Journal of the Society for Applied Philosophy

Edited by Stephen Clark and Brenda Almond

The *Journal of Applied Philosophy* provides a unique forum for philosophical research, linking an audience of professional and non-professional philosophers. Open to the expression of diverse viewpoints, the journal applies critical analysis to areas of practical concern as well as directly exploring questions of value. The journal covers a broad spectrum of issues such as the environment, medicine, science policy, law and education.
