Thirty Shillings per annum net.

EPILEPSY

Is so uniformly and so remarkably benefited by the use of

GELINEAU'S DRAGEES

(Pot.-Brom.; Antim.-Arsen.; Picrotoxine)

that no case should be considered hopeless until these Dragees have been thoroughly tried. RELIEF—AND A GREAT DEAL MORE—are usually obtained even when routine treatment fails completely.

GELINEAU'S DRAGEES

are successfully prescribed by leading Physicians, and are used in Hospitals and Epileptic Colonies. *Their use is also indicated in the nervous and painful crises of Menstruation and in the varying manifestations of Shell Shock.*

In tins of 50 and 150. Full particulars from the general Agents for the United Kingdom:

WILCOX, JOZEAU & Co.,
15, GREAT ST. ANDREW ST., LONDON, W.C. 2.

Writers are reminded that, according to LIX(a) of the Articles of Association, "all papers read at the Annual, General, or Divisional Meetings of the Association shall be the property of the Association, unless the author shall have previously obtained the written consent of the Editors to the contrary."

Papers read at Association Meetings should not, therefore, be published in other Journals without such sanction having been previously granted.

Authors of Original Papers receive 25 reprints of their articles free of cost if application be made on the slips when returning proof. If any *extra* reprints are required, notice should be at the same time sent to the Printers, Messrs. ADLARD & SON & WEST NEWMAN, LTD., 23, Bartholomew Close, London, E.C. 1, who will supply them at a fixed charge. Unless instructions are sent by authors of Papers when the proofs are returned, no copies can be guaranteed.

The copies of the *Journal of Mental Science* are regularly sent to the Ordinary and Honorary Members of the Association. Complaints of non-receipt of the JOURNAL should be sent to Messrs. ADLARD. Any change of address should be intimated to the General Secretary.
