**SHARPS
CONTAINER**

Used sharps are virtually everywhere in a medical environment. Finally, there's a system for handling these sharps that maximizes protection, maximizes convenience, and minimizes space requirements. It's called Monoject SHARPS CONTAINER and it not only promises a better way, it delivers. For complete information, write Dept. A.J.

Introducing the new, old reliable.

For over a decade, CIDEX FORMULA 7* Solution has been recognized as the standard of the industry for long-life solutions. Now we've made the standard even better. Introducing CIDEX PLUS* 28-Day Solution.

It's EPA-registered for 28 days of reuse. Plus it has greater efficacy. Plus it has a milder odor. Plus it's backed by SURGIKOS research and development.

So when it comes time to select a sterilizing/disinfecting solution designed especially for anesthesia and respiratory therapy equipment, order CIDEX PLUS 28-Day Solution. The pluses add up to a better old reliable.

For more information, call toll-free 1-800-433-5009. In Texas, call collect 817-467-3555.
