VERGIL: *Aeneid*, BOOK I

Edited by the late R. S. CONWAY

8s. 6d. net

Up to the time of his death, Professor Conway was working upon a new edition of Vergil, and he had completed and left ready for press his notes upon *Aeneid*, Book I. The edition consists of text, notes, and an index of Latin words and phrases referred to in the notes, an index of English phrases, and an index of other passages in Vergil.

CAMBRIDGE UNIVERSITY PRESS

MUSAEUS HERO AND LEANDER

The Greek Text with Introductory
Note, Annotations, Translation,
and Index by

E. H. BLAKENEY, M.A.

6s. net

¶ This book is mainly designed for those who, loving Greek literature, need some assistance in reading any of its masterpieces. Hence the prose translation contained in this little volume. The editor believes this edition of the *Hero and Leander* of Musaeus to be the first hitherto published in England.

HOMERIC ESSAYS

By

ALEXANDER SHEWAN,
M.A., LL.D.

21s. net

¶ A republication of a number of papers on Homeric topics, which have appeared in various periodicals during the last twenty years, the author's objects being first, to facilitate access to the papers by those interested in the particular subjects, and secondly and chiefly, to provide younger students with a means of ascertaining the many works in which the relevant Homeric literature is to be found.
