

Journal of the Gilded Age and Progressive Era **Instructions for access to online edition at the History Cooperative <www.historycooperative.org>**

1. For Institutional Subscribers

If you are connecting from an institution that currently subscribes to the *Journal of the Gilded Age and Progressive Era*, you will automatically receive access to full online content. This is enabled through the use of institutional IP number ranges and does not require your personal login. If your institution subscribes to the paper journal but you find that you cannot access the full-text online version from your campus, please ask your librarian to fill out our Online IP Registration Form, <www.historians.org/HistoryCoop>, which will add your institutional IP numbers to our control system. Librarians will find more information at the following URL: <www.historycooperative.org/libraryfaq.html>.

2. For Individual Members

If you are not connecting through a subscriber institution, but you are an individual subscriber to the journal, you can set up a personal account to access the entire run of the *Journal of the Gilded Age and Progressive Era* online. Simply register by using your subscription ID number, as shown on your journal mailing label. On the History Cooperative home page, click on the bottom right where it says, “How to access” or “Follow this link.” Then follow the instructions. The subscription ID number is only needed the first time you access the online edition. When you first log in or at any time thereafter, you can set up a personal login name and password for future access. If you already have an account, you can go to the login screen at <www.historycooperative.org/login.html>. Individual subscribers who have problems or need to know their ID number should contact the editor at <ahlesso@ilstu.edu>.
