

 The MIT Press

Elements of Argumentation

Philippe Besnard
and Anthony Hunter

"A landmark volume in the study of argumentation. For those of us who work in artificial intelligence, this will be the standard reference for years to come."

— Simon Parsons, Department of Computer and Information Science, Brooklyn College, City University of New York

320 pp., 12 illus., \$35 cloth

Human Reasoning and Cognitive Science

Keith Stenning
and Michiel van Lambalgen

"This deep and stimulating book, by a leading psychologist and a leading logician, is about the choice of logical formalisms for representing actual reasoning. This may be the first book in cognitive science that logicians can learn some new logic from."

— Wilfrid Hodges, Queen Mary, University of London

A Bradford Book • 392 pp., 38 illus., \$42 cloth

Philosophical Logic

John P. Burgess

Philosophical Logic is a clear and concise critical survey of nonclassical logics of philosophical interest written by one of the world's leading authorities on the subject. Requiring minimal background and arranged to make the more technical material optional, the book offers a choice between an overview and in-depth study, and it balances the philosophical and technical aspects of the subject.

"This book is terrific. It covers the basics of philosophical logic in a lively, interesting, and informative way. Readers do not have to wade through pages and pages of technical material. Instead, they get the basics, and the big picture."

—Stewart Shapiro, editor of *The Oxford Handbook of Philosophy of Mathematics and Logic*

Cloth \$19.95 978-0-691-13789-6

Princeton Foundations of Contemporary Philosophy

Scott Soames, Series Editor

This is a new series of state-of-the-art books, written by leading experts, about major areas of active research in contemporary philosophy. Providing high-level introductions for students and fresh perspectives for researchers, these books present new, unified visions of their subjects; from their recent history and leading themes to their most exciting new developments and most important unanswered questions.

PRINCETON UNIVERSITY PRESS

Articles and Communications being submitted for publication in the BULLETIN should be sent to one (and only one) of the following editors: **John Baldwin**, Dept. of Math., Stat., and Comp. Sci. (M/C 249), Univ. of Ill. at Chicago, 851 S. Morgan St, Chicago, IL 60607, USA (jbaldwin@uic.edu); or **Rod Downey** (Managing Editor), Department of Mathematics, Victoria University of Wellington, Box 600, Wellington, New Zealand (rod.downey@vuw.ac.nz); or **Ilijas Farah**, Department of Mathematics and Statistics, York University, 4700 Keele Street, Toronto, ON M3J 1P3, Canada (ifarah@mathstat.yorku.ca); or **Volker Halbach**, New College, Oxford, OX1 3BN, UK (volker.halbach@philosophy.ox.ac.uk); or **Martin Otto**, Department of Mathematics, Technische Universität Darmstadt, Schlossgartenstr. 7, 64289 Darmstadt, Germany (otto@mathematik.tu-darmstadt.de); or **Michael Rathjen**, School of Mathematics, University of Leeds, Leeds LS2 9JT, UK (rathjen@maths.leeds.ac.uk); or **Erich Reck**, Department of Philosophy, University of California Riverside, HMNSS Building Room 1604, 900 University Avenue, Riverside, CA 92521, USA (erich.reck@ucr.edu); or **Katrin Tent**, Fakultät für Mathematik, Universität Bielefeld, Postfach 100131, D-33501 Bielefeld, Germany (ktent@math.uni-bielefeld.de). Submissions that are not readily categorized as either Articles or Communications should be sent to the managing editor.

Books for review in the BULLETIN should be sent to **ASL**, Box 742, Vassar College, 124 Raymond Avenue, Poughkeepsie, NY 12604, USA. The Managing Editor for Reviews is **Alasdair Urquhart**, Department of Philosophy, University of Toronto, 215 Huron Street, Toronto, Ontario, Canada M5S 1A1 (urquhart@cs.toronto.edu). The other editors of reviews are **Steve Awodey** (awodey@cmu.edu), **John Baldwin** (jbaldwin@math.uic.edu), **Lev Beklemishev** (lev@phil.uu.nl), **Anuj Dawar** (Anuj.Dawar@cl.cam.ac.uk), **Mirna Džamonja** (M.Džamonja@uea.ac.uk), **David Evans** (d.evans@uea.ac.uk), **Erich Grädel** (graedel@informatik.rwth-aachen.de), **Denis Hirschfeldt** (drh@math.uchicago.edu), **Hannes Leitgeb** (Hannes.Leitgeb@bristol.ac.uk), **Roger Maddux** (maddux@iastate.edu), **Grigori Mints** (mints@csl.stanford.edu), **Volker Peckhaus** (peckhaus@hrz.upb.de), and **Stawomir Solecki** (ssolecki@math.uiuc.edu).

The editors prefer electronic submissions. The preferred formats for electronic submissions are PDF or postscript, but other formats, such as Word documents, will be accommodated as best as possible. The author should keep a complete copy of the submitted manuscript and the electronic files from which it was created. After the paper is accepted in its final form, an electronic copy will be appreciated and will advance the final publication date of the paper. It is preferred that papers be prepared in L^AT_EX or other variant of T_EX, especially for manuscripts that include extensive symbolic or mathematical notation. The ASL L^AT_EX style files are available at <http://www.aslonline.org>, but their use is optional. Fifty offprints of each article are supplied at no charge; additional offprints may be purchased if desired.

Postscript files of articles published in the BULLETIN may be downloaded using a Web browser from <http://www.math.ucla.edu/~asl/bsltoc.htm>. All volumes of the BULLETIN also are available online in the JSTOR database.

Requests for information, applications for membership, orders for back volumes, business correspondence, and notices and announcements for publication in the BULLETIN should be sent to the Secretary-Treasurer of the Association, **Charles Steinhorn**, ASL, Box 742, Vassar College, 124 Raymond Avenue, Poughkeepsie, NY 12604, USA. The electronic mail address of the Association's business office is asl@vassar.edu. The ASL Website is located at <http://www.aslonline.org>. Links from that site provide further information on the BULLETIN and on submitting papers for publication.

Notices of change of address, dues payments, and subscription orders to the JOURNAL and BULLETIN should be sent to: **Association for Symbolic Logic**, c/o **American Mathematical Society**, 201 Charles Street, Providence, RI 02904-2294, USA. All orders must be accompanied by payment in US dollars; Visa, MasterCard, Discover and American Express charges are accepted. To receive a replacement copy of the BULLETIN, please report damaged, defective, or missing issues within nine months of the date of publication.

For subscriptions to the REVIEW, contact Cambridge Journals Customer Services at journals@cambridge.org.

All back volumes of the BULLETIN are available, from the Office of the Secretary-Treasurer who has information on prices and discounts to individual and institutional members.

The paper used in this BULLETIN is acid-free and falls within the guidelines established to ensure permanence and durability.
