## POLICY

---

The *Law & Society Review* welcomes articles and research notes by lawyers, social scientists, and other scholars which bear on the relationship between law and the social sciences.

## MANUSCRIPTS

---

All manuscripts should be prepared in double-spaced typescript with ample (1½ inch) margins. Footnotes should also be double spaced, numbered sequentially, and appended to the end of the article. They should follow the guidelines set forth in the so-called "Blue Book," i.e., *A Uniform System of Citations*, which may be obtained from the Harvard Law Review Association, Gannett House, Cambridge, Massachusetts. We depart from the Blue Book, however, in including the author's initials.

### All editorial material should be sent to

Richard D. Schwartz, Editor
