

# MINING THE RICHES OF THE SIXTEENTH CENTURY

PRAISE FOR THE **Post-Reformation Reformed Dogmatics** SERIES:

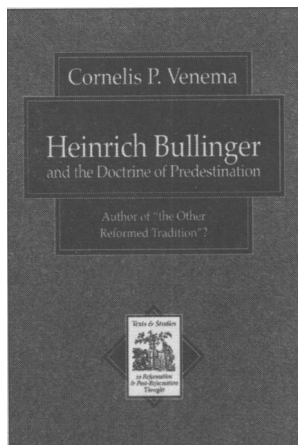

"Few periods in the history of Christianity have been as badly neglected or as frequently misrepresented in contemporary theological discussions as the period of Protestant Orthodoxy. Richard Muller has overturned conventional wisdom on the significance of this period and redefined the field through his careful and comprehensive analysis of the primary sources. All future work on the history of Protestant theology from 1550 to 1800 will have to take Muller's studies into account."

—David C. Steinmetz, Duke University

"With immense erudition and energy, Muller here displays the theology of the Reformed scholastics in relation to the full sweep of the history of Christian doctrine, expounding it on a truly monumental scale. The scholarly community is permanently in his debt. Muller demonstrates that when used with discernment, the long-neglected wealth of Reformed dogmatics can result in the deepening of theological reflection and preaching in the Christian church."

"A lucid, balanced, and reliable account of Bullinger's teaching on predestination. Venema clears away many misunderstandings and misrepresentations to allow Bullinger's voice to be heard clearly. This is a very valuable book."

—W. Robert Godfrey, Westminster Theological Seminary

"This is the most careful and complete study of Bullinger's doctrine of predestination in English."

—Lyle D. Bierma, Calvin Theological Seminary

Second Edition

David C. Steinmetz

224 pp.  
\$19.99p

*With three additional essays, one appearing in English for the first time, this second edition of Luther in Context offers more of the fine content that garnered the following widespread praise.*

“This attractive collection . . . blends careful, current scholarship with an eminently readable style to create an enlightening guide to Martin Luther’s religious thought.”

—*Journal of Religion*

“Explores with elegance some of the fundamental *loci* of Reformation theology in a logical progression and with a refreshing method. . . . The essays illuminate the issues at stake and the range of choices available to and taken by Luther and his partners in the dialogue, often thereby clarifying differences that still exist within Western Christianity.”

—*Sixteenth Century Journal*

“Steinmetz masterfully exhibits the novelty of Luther’s reformation insights against representatives of the theological landscape of the fifteenth and sixteenth centuries. . . . Exceptionally well-written and lucid.”

# RELIGIOUS ROOTS

*Women and  
Twentieth-Century  
Protestantism*

Edited by  
Margaret Lamberts Bendroth  
and Virginia Lieson Brereton

## *Women and Twentieth-Century Protestantism*

EDITED BY MARGARET LAMBERTS BENDROTH  
AND VIRGINIA LIESON BRERETON

These smart, vigorous essays run the gamut of historical contexts to probe the meaning and impact of social change on women in the twentieth-century church. Contributors consider the emergence of Latina Pentecostal clergy in the United States and the success of the Women's Missionary Union of the Southern Baptist Convention in remaining independent of male-dominated denominational structures. The authors discuss Chinese immigrant women who embraced the relative freedom offered by Protestant religion, turn-of-the-century African American women who assumed religious authority through their historical writing, and the struggles of women faith healers in defining their role amid medical and evangelical professionalism.

Hardcover, \$49.95; Paperback, \$19.95

## *From Yahweh to Yahoo!*

*The Religious Roots  
of the Secular Press*

DOUG UNDERWOOD

Underwood makes the case that American journalists are rooted in the nation's moral and religious heritage and operate, in certain important ways, as personifications of the old religious virtues. Underwood traces the influence on the press of the biblical prophets' complaints about moral corruption, the calls for reform arising out of the Protestant Reformation, and the principles that drove the muckraker and Social Gospel campaigns of the late nineteenth century and early twentieth. Underwood argues that one must see the profession of journalism in terms of its religious character to understand the tensions at work in today's media.

Hardcover, \$34.95

## *Preacher*

*Billy Sunday and  
Big-Time American  
Evangelism*

ROGER A. BRUNS

Born in Iowa during the Civil War, Sunday rose to fame as the "fastest man in baseball" during his career with the Chicago White Stockings in the 1880s. But he turned his back on the game when he heard the call of God, first spreading his old-fashioned, fundamentalist message in Chicago's gritty saloons. Sunday's evangelical message reached millions of Americans, even before the advent of radio and television broadcasting. Bruns chronicles how Sunday bridged the gap between the tent revivals of the nineteenth century and the evangelical empires of today.

Paperback, \$19.95

## *Prostitution, Polygamy, and Power*

*Salt Lake City,  
1847–1918*

JEFFREY NICHOLS

Nichols examines how prostitution became a focal point in the moral contest between Mormons and gentiles and aided in the construction of gender systems, moral standards, and Salt Lake City's physical and economic landscapes. Gentiles likened polygamy to prostitution and accused polygamous Mormons of violating Christian norms of family structure and sexual behavior. Defending their church and its ideals, Mormons blamed gentiles for introducing the sinful business of prostitution into their honorable city.

## IN DOMINICO ELOQUIO — IN LORDLY ELOQUENCE

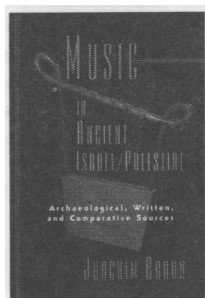

ESSAYS ON PATRISTIC EXEGESIS IN HONOR OF ROBERT LOUIS WILKEN

Edited by Paul M. Blowers, Angela Russell Christman,  
David G. Hunter, and Robin Darling Young

*"These are sophisticated, scholarly essays treating patristic exegesis, a subject to which Robert Wilken has devoted much of his distinguished scholarly career. One of the most important aspects of this volume is that it, like Wilken himself, takes patristic exegesis seriously and allows it to have a voice in the ongoing discussion of the meanings and uses of Scripture."*

## **Portraits of a Generation** *Early Pentecostal Leaders*

Edited by James R. Goff Jr.  
and Grant Wacker  
With an Afterword by  
David Edwin Harrell Jr.  
\$34.95, cloth

Behind the scenes of the  
popular religious movement of  
the twentieth century

The early Pentecostal movement saw itself as leaderless, depending on individual conversion and a radical equality of souls—or, as devotees would say, on the Holy Spirit. But a closer look reveals a host of forceful, clear-eyed leaders. This volume offers twenty biographical portraits of the first-generation pioneers who wove the different strands of Holy Spirit revivalism into a coherent and dramatically successful movement.

“This book fills significant gaps in the historical account of the early leaders of the Pentecostal movement. The solidly researched and well-written essays serve not only as portraits of the movement’s early leaders, but also as a set of windows through which readers can look from different angles at one of the most important and dynamic developments in the religious world during the twentieth century.”
