

ΠΣΑ Awards Chapter Grants

Pi Sigma Alpha, the national political science honor society, is pleased to announce the winners of its 1998 Chapter Activity Grants Competition. This year's competition drew an unprecedented number of chapter proposals; granting each request in full would have cost twice the amount budgeted for the program. By issuing partial grants, the Selection Committee was able to award some funding to nearly all the chapters submitting proposals.

1998 Chapter Activity Grants
