

STANDING CONFERENCE ON LIBRARY MATERIALS ON AFRICA

SCOLMA, established in 1962 as a forum for librarians and others concerned with the provision of materials for African studies in the UK, is open to institutions, individuals and libraries throughout the world which are concerned with Africa. It aims to assist the acquisition of library materials on Africa, publish bibliographical works as well as its journal, African research and documentation, and organise meetings on African bibliographical topics.

SCOLMA's Internet homepage can be found at:
