ISI Tear Service, 3501 Market Street, Philadelphia, Pennsylvania 19104, USA, is authorized to supply single copies of separate articles for private use only.

For all other use, permission should be sought from the Cambridge or New York offices of the Cambridge University Press.

Notes for contributors. The top (ribbon) copy of the typescript should be submitted. This must be double spaced with margins of at least 1". Footnotes, bibliographies, appendixes and indented quotations must also be double spaced. Contributors should write in English, or be willing to have their articles translated.

Tables, graphs, diagrams and music examples must be supplied on separate sheets. Illustrations should be in the form of black and white glossy prints, ideally measuring 8" × 6". All illustrative material should be numbered and carefully keyed into the typescript. Captions should be typed double spaced on separate sheets.

Bibliographical material. The method of citation is author-date system (Smith 1980, p. 66), which should be given in the text rather than in footnotes; full references should be listed at the end of each article. Abbreviations for the names of periodicals, libraries etc. should not be used without explanation.

For more detailed matters of style please follow the practices of *A Manual of Style*, 12th edn (Chicago: University of Chicago Press, 1969).

BLACKWELL

Angels of the Night

WILFRID MELLERS

'*Angels of the Night* is a vast canvas, controlled by a consistent point of view. Mellers is never simplistic, constantly aware of how folk art evolves first into conscious art, only to degenerate in many cases into commercialised pop, but equally alert as to how certain artists are able to break through again into "everyday life" in order to create "an alternative culture".'

Rebel Rock

The Politics of Popular Music

JOHN STREET

'Street picks up the tangled skein of politics and pop and unravels it well' *New Statesman*

What is the relationship between pop music and politics? From soul, folk, jazz and rock to flower power, punk and reggae, John Street analyses the many meanings of pop music today, be it as propaganda, protest or palliative.
