Millenarian Vision, Capitalist Reality: Brazil's Contestado Rebellion, 1912-1916

Todd A. Diacon

"This book will be a major contribution to Brazilian historical studies—one of the essential works of the Old Republic. It will also become essential to those who study rural revolt and popular religion both in Latin America and in broader comparative contexts."—John Tutino, Boston College

False Promises: The Shaping of American Working Class Consciousness

With a New Introduction and Epilogue by the Author
Stanley Aronowitz

In praise of the new edition:

"*False Promises* is a classic of its type, and well-known to specialists in labor studies. It is a highly original and bold perspective on American labor, still widely cited in the current literature and still a source of inspiration to many students."—Ruth Milkman, author of *Gender at Work*

THE ASSOCIATION OF
AMERICAN UNIVERSITY PRESSES
DIRECTORY
1991-1992

As an introduction and guide to the world of university presses, this directory will be an essential reference and resource to anyone who is, or wants to be, involved in scholarly publishing.

The Association of American University Presses has for over fifty years worked to encourage the dissemination of scholarly research and ideas. Today the 102 members of the AAUP annually publish over 8,000 books and more than 500 periodicals. This directory offers a detailed introduction to the structure and publishing programs of AAUP member presses. Among its useful features are:

- Information on 102 university presses in the U.S., Canada, and overseas
- Complete addresses, phone and fax numbers
- Names and responsibilities of key staff
- Subject area guide, with 136 categories, indicating which presses publish in a given area
- Advice for authors on the submission of manuscripts

An important new reference work from Duke University Press

International Trotskyism, 1929-1985

**A Documented
Analysis of
the Movement**

Robert J. Alexander

“This monumental study is both a history and an encyclopedia of one of the most durable and ubiquitous socialist movements in the twentieth century, Trotskyism. Written from a global perspective, this work consists largely of articles on Trotskyism as it appeared in various countries, ranging alphabetically from Albania to Yugoslavia. It is an indispensable reference work for any collection in the social sciences and modern history.”—Orest Pelech, Slavic Bibliographer, Duke University. 1141 pages, 7 x 10 trim size, double-column format ISBN 0-8223-0975-0, cloth \$165.00

Journal of Policy History

DON CRITCHLOW, EDITOR

"The Journal of Policy History fills a real gap in the academic landscape, providing a high-quality forum for historians and social scientists with interest in policy to present their work."

— Martin Bulmer, London School of Economics

A forum for scholars concerned with enriching our understanding of public policies and their development through historical inquiry and interpretation, *JPH* publishes historical studies, including those with a comparative dimension, about specific policy areas and policy institutions.
