A ROSARY CHAIN

by Sister M. Dominic, O.P.

A particularly appropriate book for the present time, when so much is being done to encourage increased devotion to the Rosary. Sister Dominic's readers will find much to stimulate a deeper love and appreciation. In his preface, the Very Rev. Tindal Atkinson says: *It will help all those who use this means of prayer and those who are beginners. What we find here is simple: so simple that a child will respond to the sweet music of its verse and to the deep truth the verse conveys.* A de-luxe edition, hand-set and printed on hand-made paper, and bound in full cloth.

'A Rosary Chain is exquisite verse. . . . something rare and soaring, yet of penetrating simplicity. . . . the thoughts are so scintillatingly expressed that meditation must follow as of necessity.'—*Books on Trial*
