

Corrigendum

A food-based dietary strategy lowers blood pressure in a low socio-economic setting: a randomized study in South Africa – Corrigendum

Karen E Charlton, Krisela Steyn, Naomi S Levitt, Nasheeta Peer, Deborah Jonathan, Theresa Gogela, Katja Rossouw, Nomonde Gwebushe and Carl J Lombard

doi:10.1017/S136898000800342X, Published Online by Cambridge University Press 27 Aug 2008

There is a minor error in Table 3 on page 1402.

The column 'Mean difference (intervention – control)' should not include the *P*-value column. The *P*-value column should be under the preceding 'Difference' column and should follow on from Mean and SD.
