

from Princeton

Karl Helfferich, 1872-1924

Economist, Financier, Politician

JOHN G. WILLIAMSON

"An important study of one of the most interesting and significant public figures in modern German history. Williamson has done a fine job of pulling together an enormous amount of widely scattered materials. . . . His judgments are well balanced and sound."—Gerald Feldman

\$13.50

Locarno Diplomacy

JON JACOBSON

Mr. Jacobson focuses on the strategies of the Big Three—Briand, Chamberlain, and Stresemann—to discuss the points of consensus and conflict between Germany and the West in the late 1920's.

Bismarck and the Development of Germany

The Period of Unification, 1815-1871

OTTO PFLANZE

"An admirable book, a credit to American scholarship, by far the best treatment of Bismarck to appear in English."—Louis L. Snyder, *Saturday Review*. (Cloth, \$15.00)

#247 \$3.95

Anglo-Soviet Relations, 1917-1921

Volume I, Intervention and the War

RICHARD H. ULLMAN

Richard Ullman's account of the twelve months of Anglo-Soviet relations from the Bolshevik Revolution to the Armistice is "absolutely first-rate and extremely well written."—Geoffrey Barraclough, *Manchester Guardian*. (Cloth, \$12.50)

#256 \$2.95
