

# Politics & International Relations

Books and Journals from  
Cambridge University Press

The politics list at Cambridge is one of unparalleled quality and range.

Our books list routinely tops surveys of political scientists for the calibre of its output, which includes field-defining series such as Cambridge Studies in Comparative Politics, Cambridge Studies in International Relations and Cambridge Texts in the History of Political Thought.

*American Political Science Review* and *International Organization* are widely recognised as the leading generalist journals in political science and international relations, while the likes of *British Journal of Political Science* and *World Politics* remain essential reading for researchers worldwide.

For students and scholars across the breadth of political enquiry, Cambridge is the resource of choice.

# Religious Studies

Books and Journals from  
Cambridge University Press

Cambridge has been publishing in the field of religious studies since 1584, making our programme one of the oldest and most prestigious in the world.

We publish books and journals on a wide range of religions and topics, from church history and theology, to biblical studies and religious ethics.

Our publications represent the highest level of academic research from renowned authors. Series for students, including Cambridge Companions to Religion and Introductions to Religion, remain enduringly popular.
