Interface and Nanostructural Engineering of Low-cost, Efficient and Stable Perovskite Solar Cells– **CORRIGENDUM**

Zonglong Zhu and Shihe Yang

doi: 10.1557/opl.2015.545, Published by Materials Research Society, 01 June 2015.

The original title of this paper contained an error. The original title was: Interface and Nanostructural Engineering of **Low-coat**, Efficient and Stable Perovskite Solar Cells

The correct title is:

Interface and Nanostructural Engineering of **Low-cost**, Efficient and Stable Perovskite Solar Cells

The paper title has been corrected since original publication.
