

Playing and Reality

D. W. WINNICOTT

Dr. Winnicott's presentation of his theme, vividly illustrated from clinical material, conveys the sense of the magic of living—the *joie de vivre*—we all intuitively seek. The book constitutes an impressive addition to this author's published work. Its appeal, like its subject-matter, is universal. £2.10 net
Forthcoming in May.

Mental Illness in Childhood

A STUDY OF RESIDENTIAL TREATMENT

V. L. KAHAN

This pioneering work demonstrates the therapeutic potential of the total environment in the management of mental illness in children, and provides a model that has many applications to other forms of residential treatment. *Mind and Medicine Monographs*, 21. £3.00 net

Young Children in Hospital

Second Edition

With a Postscript 1970

JAMES ROBERTSON

'All doctors, nurses and those concerned with hospital administration or who share some responsibility for the care of children in hospital will welcome this excellent book.' *International Journal of Health Education*.
Social Science Paperback 80p net

Towards Community Mental Health

Edited by

JOHN D. SUTHERLAND

Elizabeth Bott, Barbara Butler, Geoffrey Gorer, Elliott Jaques, Ben Morris, Herbert Phillipson, John D. Sutherland, and D. W. Winnicott consider from their different professional viewpoints ways of helping individuals and groups to meet the stresses of a technological society. £2.40 net

Family and Social Network
