WARFARE AND AGRICULTURE IN CLASSICAL GREECE

Revised edition

Victor Davis Hanson

"A closely argued and thoroughly supported critique of an entire tendency in classical scholarship to think uncritically about agriculture. . . . Hanson's success in this results in an admirably short work that is full of interest." —Colin

Duncan,

Queen's University, Ontario

£27.50 cloth, £10.95 paper

SPECTACLE AND SOCIETY IN LIVY'S HISTORY

Andrew Feldherr

"An exciting and sophisticated approach to a major author in the Latin canon who has been much ignored. Feldherr's writing is clear and intelligent and admirably reflects his engagement in the material. The close analysis is extraordinarily perceptive and innovative—a real pleasure to read." —Ann Vasaly,

Women and Society in Greek and Roman Egypt

A Sourcebook

Jane Rowlandson

This varied collection of over three hundred translated texts and more than fifty illustrations relating to women's lives in Greek and Roman Egypt is now available to students and other non-specialists. All are accompanied by an introductory chapter and full explanatory notes. This book makes accessible to all those interested in social history, and in particular the lives of women, this extraordinarily rich body of material from the ancient world.

Kosmos

Essays in Order, Conflict and Community in Classical Athens

Paul Cartledge, Paul Millett and Sitta von Reden

'Kosmos' is the word the ancient Greeks used for human social order. It has therefore a special application to the Greeks' peculiar social and political unit of communal life that they called the 'polis'. Of the many hundreds of such units in classical Greece the best documented and the most complex was democratic Athens. The purpose of this collective volume is to re-evaluate the foundations of classical Athens' highly successful experiment in communal social existence.

The Epistemology of the Cyrenaic School

Voula Tsouna

This book reconstructs the Cyrenaic theory of knowledge. It explains how the theory depends on Cyrenaic hedonism, puts it in the context of ancient debates, and discusses its connections with modern and contemporary views on knowledge.

The Madness of Epic

Reading Insanity from Homer to Statius

DEBRA HERSHKOWITZ

Madness features in many ancient epics: not only do characters go mad, but madness often plays an important thematic role. This book examines the representation and poetic function of madness in epic poetry (including the work of Homer, Virgil, and Ovid),

addresses the difficulty of defining madness, and discusses how each epic explores the theme in a unique way.

Alexander and the East

The Tragedy of Triumph

A.B. BOSWORTH

New 'Bosworth
paperback judiciously assesses
the sources, but
also considers the geographical
and social context. Professor
Bosworth deserves to be read,
and not just by classicists or
historians of the ancient world,
since this is a prudent
investigation of the construction
of the heroic image of a
totalitarian ruler'

Frontier and Society in Roman North Africa

DAVID CHERRY

An incisive analysis of the
Roman occupation of North
Africa (c.50 BC-AD 250). It
describes the region's
acculturation, offers a fresh
look at the purpose of the
Roman frontier-system, and
re-examines the army's
place in the society and
culture of the Roman
frontiers.

Words and the Poet

*Characteristic Techniques of
Style in Vergil's Aeneid*

R. O. A. M. LYNE

*'Lyne is learned, accurate and
imaginative, and the book is
well argued and beautifully
articulated'*

avoided artifices
of poetic diction,
preferring ordinary
language, and using words

which conventional poets
thought too prosaic or
colloquial. This book
identifies such diction in
Vergil and examines the
methods by which he
turned this into poetry.

Prostitution, Sexuality, and the Law in Ancient Rome

THOMAS A. J. MCGINN

This is a study of the legal
rules affecting the practice
of female prostitution at
Rome approximately from
200 BC to AD 250. It
examines the formation and
precise content of the legal
norms developed for
prostitution and those
engaged in this profession,
with close attention to their
social context.
