## Labor Movements and Dictatorships

THE SOUTHERN CONE  
IN COMPARATIVE PERSPECTIVE

**Paul W. Drake**

"Drake succeeds in showing that authoritarian regimes seize power in large part as a response to perceived labor mobilization and, therefore, target labor and its leftist allies as primary victims. The book's comparative focus and country narratives also provide a rich and complex analysis of labor's experience of authoritarian rule, of the process of redemocratization, and of restored democracy."

—Peter Winn, Tufts University

\$15.95 paperback

## Constructing Democratic Governance

LATIN AMERICA AND THE CARIBBEAN  
IN THE 1990S

**edited by Jorge I. Domínguez  
and Abraham F. Lowenthal**

A distinguished group of scholars assesses how well democracy has been working in this volatile part of the world. The authors find that serious problems still plague these new democracies. Many of these problems are related to the political institutions, including political parties, the civil service, and the justice system. In addition to the hardcover edition, *Constructing Democratic Governance* is available in three paperback volumes, each containing the introduction and conclusion from the complete edition and organized for convenient course use.

*Complete Edition:* \$65.00 hardcover

*Themes and Issues:* \$13.95 paperback

*South America:* \$15.95 paperback

*Mexico, Central America, and the Caribbean:*

# TALONS OF THE EAGLE

Dynamics of U.S.-Latin American Relations

★ ★ ★ ★ PETER H. SMITH ★ ★ ★ ★

"A well-written, provocative exploration of the relationship between Latin America and the United States since independence.... An excellent overview."  
—*Library Journal*

"Until *Talons of the Eagle* appeared, there was no single study of U.S.-Latin American relations that addressed the post Cold War period. Peter Smith's highly readable book fills that gap, especially by addressing the 'new' issues that are likely to determine relations in the Americas: immigration, drug-trafficking, the environment, and regional trade blocs."  
—Terry Lynn Karl, Director, Center for Latin American Studies, Stanford University

"*Talons of the Eagle* is a crucially important book, both for the interested though not specialized reader, and for the university instructor. For the former, it explains how and why Latin America was not born yesterday, and to what extent today's relations with the United States are a product of a long and turbulent history, without an understanding of which the present is incomprehensible. On this count, Smith makes significant contributions to our knowledge and understanding of U.S.-Latin American relations. But *Talons of the Eagle* will also prove to be extremely useful to the university instructor, providing in one highly readable but substantive volume the factual and interpretive material that students and instructors will find undoubtedly indispensable."  
—Jorge G. Castaneda, National Autonomous University of Mexico

"Guiding the careful pen that we have come to associate with his scholarship, Peter Smith has produced a book that not only traces the two-century evolution of U.S.-Latin American interaction, but also explains how this structure continues to influence policy makers and to circumscribe policy options in the post-Cold War era. Thorough, thoughtful, and provocative, *Talons of the Eagle* is a compelling synthesis, filling a critical void in our generation's scholarship." —Lars Schoultz, William Rand Kenan, Jr., Professor of Political Science, The University of North Carolina, Chapel Hill

## **Mobile Capital and Latin American Development**

JAMES E. MAHON, JR.

A comparative examination of international capital movements in Latin America and their influence on democracy and development.

"The problem of capital flight has been important for understanding constraints on development in Latin America and the turn toward neo-liberalism in the past decade, and this book offers a focused discussion of the issue particularly valuable for highlighting its political dimensions. It is a timely work that should be of interest to scholars beyond just those specializing in Latin American studies."

—Manuel Pastor, Jr., Occidental College  
232 pages paper: \$17.95

## **Organizing Dissent** *Unions, the State, and the Democratic Teachers' Movement in Mexico*

MARIA LORENA COOK

"Cook's richly documented study of the Mexican teachers' movement proposes answers to two key questions: how do social movements emerge in repressive contexts, and what factors enable them to survive in such an environment? Her book will be a milestone in linking social movement theory with the study of political change in non-liberal settings like Mexico."

—Sidney Tarrow,  
Cornell University

376 pages 15 illus. paper: \$19.95

## **Taking on Goliath**

*The Emergence of a New Left Party and the Struggle for Democracy in Mexico*

KATHLEEN BRUHN

*Taking on Goliath* analyzes the formation and decline of the most successful opposition party challenge to Mexico's long-ruling Institutional Revolutionary Party (PRI), which, until 1988, had ruled unchallenged for more than sixty years. The emergence of this new left opposition in 1988 shattered the myth of PRI invincibility. However, its failure to capitalize on its initial success raises intriguing questions about the relationship between party creation and consolidation and about the sources of party system change and democratization.

This book is the only major study in English of the origins and trajectory of the PRD, the party that today represents the unified Mexican left.

## Political Corruption in Latin America and Europe

Edited by **Walter Little** and **Eduardo Posada-Carbo**

This book examines political corruption in Latin America and Europe from both an historical and a contemporary angle. The approach is therefore comparative and interdisciplinary, bringing together scholars from history, political science, anthropology, sociology, and economics. In addition to general essays, this book includes chapters analyzing political corruption in individual countries including Italy, Spain, France, Great Britain, Chile, Brazil, Venezuela, Paraguay, and Mexico.

*Institute of Latin American Studies*

June 1996 / 326 pp.  
ISBN 0-312-16005-4 \$69.95 cl.

## Central America

*Fragile Transition*

Edited by **Rachel Sieder**

This collection explores the distinct features of post-conflict reconstruction and democratic consolidation in Central America. Three sections cover the actors (political parties and party systems, the military, and returning refugees), the institutions (executive-congressional relations and the judicial systems), and the international context (the shifting global/regional dynamic and the impact of the United Nations on the Central American peace process).

*Institute of Latin American Studies*

June 1996 / 318 pp.  
ISBN 0-312-16010-0 \$65.00 cl.

## Venezuela

*The Challenge of Competitiveness*

**Michael Enright, Antonio Frances, and Edith Scott Saavedra**

Based on a comprehensive two-year study, *Venezuela: The Challenge of Competitiveness* represents a first-of-its-kind analysis of the competitiveness of the economy and industries of a developing nation. The authors also provide valuable recommendations on actions that firms and government can take to improve the nation's overall economic performance.

July 1996 / 560 pp.  
ISBN 0-312-15851-3 \$59.95 cl.

## The Andean Cocaine Industry

**Patrick L. Clawson** and **Rensselaer W. Lee III**

Using extensive field research, Patrick Clawson and Rensselaer Lee examine the configuration of the drug industry from cultivation in the fields of South America to arrival on the streets of the U.S. The authors analyze the economic and political impact of the drug business on the Andean nations, including such problems as the undermining of legitimate business and the exacerbation of violence.

August 1996 / 288 pp.  
ISBN 0-312-12400-7 \$35.00 cl.

## Indigenous Peoples and Democracy in Latin America

Edited by **Donna Lee Van Cott**

"In a thoroughly documented, thoughtful, and analytically well informed series of essays, social scientists and indigenous intellectuals look at the complex interplay of ethnicity, social inequality, colonial ballast, and the tortuous process of democratization....This is a remarkable text that will become required work for anybody interested in understanding the ethnic, social, and political complexities of Indo-Ibero America at the threshold of the third millennium."

—Stefano Varese, Professor of Native American Studies, University of California, Davis

1995 / 271 pp.  
ISBN 0-312-15874-2 \$18.95 pb.

## **Term Limits and Legislative Representation**

**John M. Carey**

Legislative term limits are the most important electoral reform on the political agenda in the United States. Carey tests the central arguments made by both supporters and opponents of the reform by examining the experience of Costa Rica, the only long-term democracy to impose term limits on legislators, and by providing extensive comparisons with legislatures in Venezuela and the United States.

55233-8 Hardback \$59.95

## **Challenging the State** **Crisis and Innovation in Latin America and Africa**

**Merilee S. Grindle**

The 1980s and 1990s posed great challenges to governments in Latin America and Africa deeply affected by economic and political crises. Using case studies of Mexico and Kenya, this text shows how a decade of sustained crisis became a source of innovations in ideas and policies.

**Cambridge Studies in Comparative Politics**

55106-4 Hardback \$49.95

55919-7 Paperback \$18.95

## **Traditional Politics and Regime Change in Brazil**

**Frances Hagopian**

This book is about politics in Brazil during the military regime of 1964-85 and the transition to democracy. Unlike most books about contemporary Brazilian politics that focus on promising signs of change, this book seeks to explain remarkable political continuity in the Brazilian political system.

# New Releases from the United Nations

## **Economic Survey of Latin America and The Caribbean**

Examine the impact of the 1994 Mexican foreign exchange crisis on the region. This Survey gives a detailed analysis (regional and by country) of the trends in the region's economies in 1994 and also covers the economic developments in the early months of 1995. It also discusses: economic policy and structural reform; level of activity, inflation and employment; and the external sector. The extensive statistical information for each country dating back from 1987 to present would be extremely useful for comparative analysis.

**E.95.II.G.2 92-1-121206-5 1994-1995 344 pp. \$50.00**

## **Statistical Yearbook for Latin America and The Caribbean**

Presents an extensive statistical data on regional and individual country levels. Tables cover such areas as: population, national accounts, agriculture, industry, production of goods, external trade, balance of payments and natural resources. The majority of the statistical tables provide figures on a single topic and is organized in such a way as to facilitate comparisons among countries as well as between individual countries and regional totals or averages.

# RESISTING REAGAN

The U.S. Central America Peace Movement

**CHRISTIAN SMITH**

*Resisting Reagan* represents the best tradition of social movement case studies. Combining rich and fact-filled description with insightful analysis, this book surely will be the definitive account of the U.S. Central America Peace Movement. Moreover, Smith's emphasis on this movement's religious roots communicates a too-little recognized fact about American society: Not all religiously motivated political action comes from the right."

—Mark Chaves, University of Notre Dame

NEW FROM ALDINE

**The North American Trajectory**  
**Cultural, Economic, and Political Ties among**  
**the United States, Canada, and Mexico**

Ronald F. Inglehart (*University of Michigan*), Neil Nevitte  
(*University of Toronto*), and Miguel Basañez (*Autonomous*  
*Institute of Technology of Mexico*)

1996. approx. 208 pages. References, index.  
0-202-30556-2 Cloth \$40.95. 0-202-30557-0 Paper \$19.95

North America is steering a new course, with the U.S., Canada, and Mexico moving toward continental economic integration. This book examines the basic value changes that are transforming economic, political, and social life in these three countries, and shows how they are adopting an increasingly compatible cultural perspective.

TESTIMONIES  
FROM THE  
GUATEMALAN  
LABOR MOVEMENT

# THE SKY NEVER CHANGES

THOMAS F. REED AND KAREN BRANDOW

Ten oral histories reveal the memories and hopes of individuals who have been personally affected by the struggle for labor rights in Guatemala. The speakers include rank-and-file activists, labor organizers, indigenous leaders, and the widows of unionists who were assassinated or disappeared.

*"The Guatemalan people must be heard. This book goes far to reveal their daily and heroic struggle to survive, feed their children, and demand justice in one of the hemisphere's cruelest and most frightening dictatorships. Read it, then pick up your phone and get involved."*

—JENNIFER HARBURY

*"This book gives a human face to the experience of violence and helps us understand how people can survive it. Personal, direct, emotional, and charged with the reality of history, it performs the vital service of educating our hearts and not only our minds."*

—DEBORAH LEVINSON-ESTRADA, Columbia University

## RESTRUCTURING PATRIARCHY

The Modernization of Gender Inequality in Brazil, 1914–1940

*Susan K. Besse*

“This excellent, provocative, and well-written book elucidates and explains the far-reaching cultural, socio-political, and economic changes in gender relations during the Estado Novo in Brazil. . . . Besse tells a compelling story and tells it well.” —Elizabeth Kuznesof, University of Kansas  
304 pp. \$39.95 cl / \$16.95 pa

## THE SECRET HISTORY OF GENDER

Women, Men, and Power in Late Colonial Mexico

*Steve J. Stern*

“Prodigiously researched, engagingly written, and empowering in its analysis, Stern’s book will reshape the way that Latin Americanists and others conceptualize the history of peasant and plebeian politics, community, the family, and gender struggle.” —Gilbert M. Joseph, Yale University  
496 pp. \$29.95 cl

Available in January

## REINTERPRETING THE BANANA REPUBLIC

Region and State in Honduras, 1870–1972

*Dario A. Enraque*

“This big interpretive work, rigorously constructed from a wide range of archival sources, is the long-awaited foundation history for Honduras. It will spawn more scholarly research on the country and will integrate Honduras more thoroughly into the debates on ethnicity, state formation, agrarian structures, and national ideology that have intensified in recent years.”

—Robert G. Williams, author of *Export Agriculture and the Crisis in Central America*

Approx. 256 pp. \$39.95 cl / \$18.95 pa

Available in January

## FOR SOCIAL PEACE IN BRAZIL

Industrialists and the Remaking of the Working Class in São Paulo, 1920–1964

*Barbara Weinstein*

Barbara Weinstein examines the vast array of programs sponsored by a new generation of Brazilian industrialists who sought to impose on the nation their vision of a rational, hierarchical, and efficient society.

Approx. 448 pp. \$59.95 cl / \$24.95 pa

# Mexican Visions

---

## Border Visions

Mexican Cultures of the Southwest United States

*Carlos Vélaz-Ibáñez*

This volume traces the intense interactions among Native Americans, Spaniards, and Mexicans from prehistory to present, as Meso-American populations and ideas moved northward.

335 pp., 34 illus.

\$45.00 cloth, \$19.95 paper

## Mexicans in the Midwest, 1900–1932

*Juan R. García*

Drawing on both published works and archival materials, this new study considers the many factors affecting immigration and the development of Mexican American communities in the midwestern United States.

325 pp., \$39.95 cloth

## Mexican American Women

Changing Images

Perspectives in Mexican American Studies, Volume 5

*Edited by Juan R. García*

195 pp., \$15.00 paper

## The Embodiment of the National in Late Nineteenth-Century Mexican Painting

*Stacie G. Widdifield*

Spotlighting contemporary paintings of Mexico from 1867–1881, this study demonstrates the influences of culture and politics on art.

295 pp., 30 photos, 8 color plates

\$29.95 cloth

*New in paperback—*

## Our Lady of Guadalupe

The Origins and Sources of a Mexican National Symbol, 1531–1797

*Stafford Poole*

“This study is the most thorough and daring of its kind available in any language.”—*America*

324 pp., \$19.95 paper

## Mexican Cinema/Mexican Woman, 1940–1950

*Joanne Hershfield*

Examining a singular moment in Mexican film history, the author investigates the relations between woman and cinema, exploring the “Mexicanness” of the films and what distinguishes them from Hollywood films of the same decade.

Latin American Communication and Popular Culture

185 pp., 19 photos

\$39.95 cloth, \$16.95 paper

## Danger Zones

Homosexuality, National Identity, and Mexican Culture

*Claudia Schaefer*

Mexico, a nation in search of identity, is a tremendous backdrop for this study of gender identity and homosexuality as represented in Mexican literature between 1964 and 1994.

165 pp., \$45.00 cloth, \$17.95 paper
