The *Glasgow Mathematical Journal* is the continuation of the *Proceedings of the Glasgow Mathematical Association*. It was founded in 1952 by the late Professor T. M. MacRobert and published with the support of the University Court of the University of Glasgow. The present name was adopted in 1967 and since 1987 the *Journal* has been owned by the Glasgow Mathematical Journal Trust, an independent charitable trust.

**Frequency.** The *Glasgow Mathematical Journal* publishes three issues each year (in January, May and September) forming a volume of approximately 380 pages.

**Subscriptions.** The subscription rates for 1996 are: £74 in the U.K. and Europe, and US\$135 in the rest of the world.

These prices include air-speeded delivery to Australia, Canada, India, Japan, New Zealand and the U.S.A. Delivery elsewhere is by surface post, although airmail rates can be quoted on request.

Payment is required with all orders and may be made by the following methods:

- Cheque (made payable to Oxford University Press)
- National Girobank (account 500 1056)
- Credit card (Access, Visa, American Express, Diners Club)
- UNESCO Coupons

Bankers: Barclays Bank plc, PO Box 333, Oxford, U.K. Code 20-65-18, Account 00715654.

Requests for sample copies, subscription enquiries, orders and changes of address should be sent to the Journals Subscription Department, Oxford University Press, Walton Street, Oxford OX2 6DP, U.K.

**Back numbers.** Copies of the current volume and the two immediately preceding volumes can be obtained from Oxford University Press at the above address. Earlier volumes can be obtained from William Dawson and Sons, Cannon House, Park Farm Road, Folkestone, Kent CT19 5EE, U.K.

**Submission of papers.** Information for authors is to be found on the inside back cover.
