Managing clubroot disease (caused by Plasmodiophora brassicae Wor.) by exploiting the interactions between calcium cyanamide fertilizer and soil microorganisms

G. R. DIXON

CROPS AND SOILS RESEARCH PAPERS

Genetic dissection of flour whiteness by unconditional and conditional quantitative trait locus mapping in wheat

Combining seasonal yield, above-ground dry-matter yield, quality and persistency in an economic index to assist perennial ryegrass variety selection

M. O’DONOVAN, N. MCMAHON, M. MCEVOY, D. GROGAN AND L. SHALLOO

Quantitative trait loci underlying root yield and starch content in an F1 derived cassava population (Manihot esculenta Crantz)

One century of Nordic barley breeding: nitrogen use efficiency, agronomic traits and genetic diversity

A. RAJALA, P. PELTONEN-SAINIO, M. JALLI, L. RAMSAY AND O. MANNINEN

No-tillage culture and nitrogen fertilizer management for burley tobacco production

C. ZOU, R. C. PEARCE, J. H. GROVE AND M. S. COYNE

Marker detection and elite allele mining for yield traits in Upland cotton (Gossypium hirsutum L.) by association mapping

C. Q. LI, N. DONG, Y. Z. FU, R. R. SUN AND Q. L. WANG

Changes in genetic variance and heritability in an early white maize population following S1 selection for grain yield, Striga resistance and drought tolerance

F. NAWAZ, M. Y. ASHRAF, R. AHMAD, E. A. WARAICH, R. N. SHABBIR AND R. A. HUSSAIN

ANIMAL RESEARCH PAPERS

Including white clover in nitrogen fertilized perennial ryegrass swards: effects on dry matter intake and milk production of spring calving dairy cows

M. OYEKUNLE, A. O. TALABI, B. ANNOR AND I. C. AKAOGU

Live weight gain, urinary nitrogen excretion, and urination behaviour of dairy heifers grazing pasture, chicory and plantain

Genetic analysis of visual assessment and body weight traits and their relationships with reproductive traits in Nellore cattle

F. M. PATERNO, M. E. BUZANSKAS, W. KOURY FILHO, R. B. LÔBO AND S. A. QUEIROZ

EDITORIAL BOARD
T Arling, University of Pretoria, South Africa
B Barkla, Southern Cross University, Australia
R Bhatia, National Institute of Animal Nutrition and Physiology, India
S Britman, Agroscope Research Centre, Switzerland
G Cantalapiedra, INRA - Villegros Sup, Saint-Gene-Champagnolle, France
M D Cook, US Dairy Forage Research Centre, Madison, USA
S Cremer, IACRAM, France
E Charnley, CSIRO, Australia
B R Collins, University of Willmington, Australia
W Danilenka, University of Peradeniya, Sri Lanka
J Dijkstra, Wageningen University, The Netherlands

SUBMISSIONS
The Journal has moved to electronic submission. Manuscripts should be uploaded to http://mc.manuscriptcentral.com/jagricsci.
Double-blind refereeing has also been adopted, therefore the authors’ names, addresses and emails should be removed from the main document and uploaded as a title page in a separate file, tagged “Not for Review”. Help is available on the website.

SUBSCRIPTIONS
The Journal of Agricultural Science (ISSN 0021-8596) is published ten times a year in January, March, April, May, July, August, September, October, November and December. Ten parts form a volume. The subscription price (excluding VAT) of Volume 155 (2017) (which includes delivery by air where appropriate, plus electronic access to institutional subscribers) is £1577 net (£US $2626) in the USA, Canada and Mexico. Single parts are £181 net (£US $302) in the USA, Canada and Mexico. The electronic only price available to institutional subscribers is £1202 (£US $2065) in USA, Canada and Mexico. Back issues are also available.
Orders, which must be accompanied by payment, may be sent to a bookseller, subscription agent or direct to the publisher: Cambridge University Press, University Printing House, Shaftesbury Road, Cambridge CB2 8BS, UK, or in the USA, Canada and Mexico: Cambridge University Press, Journals Fulfillment Department, Cambridge University Press, 1 Liberty Plaza, Floor 20, New York, NY 10006, USA. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country’s rate. VAT registered subscribers should provide their VAT registration number. Japanese prices for Institutions are available from Kinokuniya Company Ltd, PO Box 55, Chitose, Japan. The electronic only price available to institutional subscribers is £1202 (£US $2065) in USA, Canada and Mexico. Back issues are also available.
