The *International Journal of Asian Studies (IJAS)* is an interdisciplinary, English-language forum for research in the social sciences and humanities. *IJAS* examines Asia on a regional basis, emphasising patterns and tendencies that go beyond the borders of individual countries. While the journal covers all regions of Asia, the primary focus is on eastern Asia, that is, Korea, China, Taiwan, Vietnam and Japan. As well as encouraging contributions from western scholars, *IJAS* focuses attention on the work of Asian scholars, in order to encourage multi-directional communication across the international Asian studies community. *IJAS* includes both themed and general issues.

Konrad Hirschler, School of Oriental and African Studies, UK

The *Bulletin of the School of Oriental and African Studies* (BSOAS) is an international journal publishing research and reviews in the arts, humanities, law and languages relating to Africa and Asia.
