CHINA & JAPAN PAST AND PRESENT

M. I. SLADKOVSKY

Edited and translated from Russian by Robert F. Price. 1975 Forum Asiatica/1 \$15

For the first time in English, the authoritative statement of Soviet views on the historical, economic, social and political evolution of China and Japan and of the relations between them, from antiquity to the present. A basic book.

The author, the foremost Soviet specialist on East Asia, heads the prestigious Far Eastern Institute of the USSR Academy of Sciences, under whose sponsorship this book first appeared in 1971, and is the Editor of the Institute's *Problems of the Far East*, the official journal of Soviet Far Eastern studies.

(1) Ancient China and Japan (2) China and Japan to the Mid-Nineteenth Century (3) China and Japan Between the Western Powers (4) Approaching the Twentieth Century (5) Japanese Imperialism Threatens China (6) The War in the Pacific, 1941-1945 (7) The Search for Democracy and Social Rights, 1945-1949 (8) The Divergent Societies (9) China and Japan in the Sixties. *Conclusions*

THROUGH ASIAN EYES

Leon E. Clark, General Editor

Included by The Asia Society in its Core Collection of Highly Rated Elementary and Secondary Social Studies Books for Introducing Asia (*Focus on Asian Studies*, Autumn, 1975), THROUGH ASIAN EYES has been consistently praised for its thought-provoking use of primary source material in recreating the realities of everyday life as experienced by the peoples of Asia. Focusing on Chinese, Japanese, and Indian culture, this six volume paperback series offers junior-senior high school students a wide-ranging humanistic view of a specific Asian culture within a world setting. Teacher lesson plans are provided free of charge with every order of 30 or more copies.

For added convenience, each two volume paperback segment has also been bound in a one volume hard-cover edition.

- I. **THROUGH CHINESE EYES**, edited by Peter Seybolt
Vol. I: Revolution: A Nation Stands Up
136 pp., 20 illus.
LC 72-94901 ISBN 0-275-88780-4 \$2.75
Vol. II: Transformation: Building a New Society
158 pp., 20 illus.
LC 72-94901 ISBN 0-275-88790-1 \$2.75

- II. **THROUGH INDIAN EYES**, edited by Donald and Jean Johnson

FOUNDATION OF JAPANESE BUDDHISM

by Daigan and Alicia MATSUNAGA

VOL. I: *The Aristocratic Age* \$12.75

"In what is perhaps the most comprehensive treatment of Japanese Buddhism in a Western language, the authors have done a great service. Their work is highly readable and clear. They are completely at home in the wide variety of sources they employ. Although dealing with matters of ancient history, their eye is on the present." Alfred Bloom, Univ. of Hawaii in *Monumenta Nipponica*

"It is . . . unique in its comprehensiveness and will become a standard work, indispensable as a handbook to the researcher and advanced student." *Choice*

NOW AVAILABLE

VOL. II: *The Mass Movement* \$12.75

An historical and philosophical study of the rise and development of the Pure Land, Nichiren and Zen mass movements during the Kamakura and Muromachi periods against the background of the aristocratic established sects.

10% Faculty discount on direct orders. Calif. residents add 6% sales tax. Bankameri-card accepted.

First- hand sources

Community and Revolution in Modern Vietnam

Alexander Barton Woodside
Harvard University

352 pages, cloth, \$9.95 (tentative).

Just published

Woodside is the first Western writer to analyze the Vietnamese Revolution from its origins to the present based almost entirely on Vietnamese and Chinese language sources. He compares and contrasts Vietnamese, Chinese, and Japanese developments in the twentieth century. A fresh approach for the classroom.

The Rise of Modern Japan

Peter Duus, Stanford University

250 pages, cloth, \$9.95 (tentative).

Just published

Reflecting the latest scholarship, including many Japanese language sources, Duus provides an introduction to the history of Japan as a modern nation. This concise text covers the major political, social, and economic developments.

Who could have more insight into the past and present developments of Asian countries than the people who live there? That is why Houghton Mifflin's new offerings in Asian studies are based largely on sources written in Chinese, Japanese, and Vietnamese.

Plus these other outstanding texts for Asian studies. . .

East Asia: Tradition and Transformation

John K. Fairbank,
Edwin O. Reischauer,
and Albert M. Craig,
Harvard University

969 pages, cloth, \$16.95. 1973

An incisive, illustrated history of the aesthetic, intellectual, and institutional achievements of the peoples of East Asia. Three leading authorities trace the development of East Asia's society and civilization.

The Chinese Revolution: 1900-1950

Ranbir Vohra, Trinity College
200 pages, paper, \$5.50. 1974

Using commentaries by Chinese leaders involved in the events and by scholars, Vohra reviews the revolutionary process in China.

For adoption consideration, request examination copies from your regional Houghton Mifflin office.

“Highly recommended.”

Essays on the Sources for Chinese History

Edited by DONALD D. LESLIE, COLIN MACKERRAS,
and WANG GUNGWU

“A valuable survey of the sources for the study of Chinese history from early times to the present, including both the main sources and the ancillary.”

—Arthur F. Wright

Charles Seymour Professor of History
Yale University

“From oracle bones and genealogical sources to archives, standard histories, and modern documents—it’s all here. . . . 25 bibliographic essays by an international array of scholars citing more than 1000 primary and secondary sources on Chinese history. . . . Highly recommended.”

—*Library Journal*

The Asian Bibliography Series

Under the General Editorship of
The Asian Literature Program of the Asia Society

The Asian Bibliography Series offers annotated bibliographies of the best in Asian literature that is available in English translation. Designed for librarians, students and teachers of Asian literature, these guides also benefit those in other disciplines—Asian heritage, anthropology, history, philosophy, the social sciences—who wish to use translated literature as a source for their studies.

Each guide provides summaries and evaluations of selected translated literature from earliest times to today, arranged by topic and by chronology, and preceded by a general introduction. An index of authors, editors, translators and titles is also included in each guide.

Guide to Japanese Poetry

J. Thomas Rimer and Robert E. Morrell. Contains annotated references to approximately 140 current publications on Japanese poetry from the primitive **wake** verse of a thousand years ago, through **haiku** to contemporary poetry. Excerpts of verse are interspersed among the citations to introduce major poets, to illustrate poetic forms and to offer comparisons of translations.
1975 5-3/8 x 8. viii, 151 pp.
ISBN 0-8161-1111-1 \$12.00

Guide to Japanese Prose

Alfred H. Marks and Barry D. Bort. Surveys the long past of Japanese prose, available in English translation. "Pre-Meiji Literature" covers the earliest writings to 1869, the year of the Meiji restoration and the beginning of modern Japan. "Meiji Literature and After" opens with Mori Ogai and Futabatei Shimei, and continues to the novelists writing today.
1975 5-3/8 x 8. viii, 150 pp.
ISBN 0-8161-1110-3 \$12.00

Guide to Japanese Drama

Leonard C. Pronko. Annotates studies devoted to Japanese theatre and provides information on Japanese plays available in English. Major works of **no**, **kyogen**, **kabuki** and **bunraku**, as well as **shingeki**, Japan's modern theatre, and a number of less well-known forms, from the aristocratic **bugaku** to country festival presentations are covered.
1973 5-3/8 x 8. 125 pp. ISBN 0-8161-1108-1 \$9.50

Guide to Chinese Prose

Jordan D. Paper. Annotates 142 titles available in English translation following traditional Chinese bibliographic classification: classics, history, philosophy and **belles lettres**. The introduction discusses the Chinese language and the most important literary developments in the history of Chinese prose, providing essential background material for the study of Chinese literature and the other East Asian literatures it influenced.
1973 5-3/8 x 8 137 pp. ISBN 0-8161-1103-0 \$9.50

Guide to Chinese Poetry and Drama

Roger B. Bailey. The annotations in the Poetry section cover Chinese poetry from **The Book of Songs**, the oldest collection, to modern vernacular poems, including general anthologies and collections, individual poets and biographical and critical works. The Drama section traces the development of drama in China from the shamanistic rites to the highly literal classical Yuan plays, the Peking Opera of the mid-19th century, and the experimental Western-style plays of the early 20th century.
1973 5-3/8 x 8. xi, 100 pp.
ISBN 0-8161-1102-2 \$9.50

Prices do not include shipping and handling charges. Prices outside the U.S. are 10% higher. Orders from individuals must be accompanied by full payment including a shipping and handling charge of \$.50 per title.

Alternate Selection
History Book Club

The Opium War,
1840–1842

By Peter Ward Fay

Opium is the chief protagonist in this lively narrative of both the causes and the course of the war that “opened” China.

“Through his sharp observations of personality, geography, technology, and his readable style, Fay brings events to life in a way that will make the book appeal strongly to the general public as well as to scholars.”

New from Columbia

Announcing the major new reference work on the Ming:

DICTIONARY OF MING BIOGRAPHY, 1368-1644

Two Volumes

L. CARRINGTON GOODRICH and CHAOYING FANG, Editors

The Ming dynasty in China was a period marked by a great flowering in intellectual and cultural pursuits, by renewed contact with a resurgent Europe, and by the creation of institutions which have lasted to modern times. Yet it is an era of Chinese history which only recently has come into prominence as a field of scholarly study.

A monumental work, the **Dictionary of Ming Biography** is the first comprehensive, authoritative treatment of this rich and productive period. Placed beside Hummel's **Eminent Chinese of the Ch'ing Period** and Boorman's **Biographical Dictionary of Republican China**, it extends to nearly 600 years the record available in Western languages of the men and women who made Chinese history.

The **Dictionary**, which will be welcomed by all as the basic reference work on the Ming, contains the following outstanding features:

- articles exploring the lives of nearly 650 representative figures, both Chinese and foreign, who influenced the course of Chinese history
- contributions by noted scholars throughout the world
- a selection of biographies spanning a wide range of classes, professions, and fields of endeavor
- a separate bibliography for each entry
- maps and illustrations
- extensive name and book indexes
- a convenient general topic index

Written with the cooperation of museums, libraries, and institutions of learning the world over, the **Dictionary** represents a substantial, much-needed breakthrough in a major frontier of Chinese studies.

**The Ming Biographical History Project of the Association
for Asian Studies**

\$70.00 per set until July 1, 1976; \$85.00 per set thereafter.

TO ACQUIRE WISDOM

The Way of Wang Yang-ming

JULIA CHING

This important book is the first full-length study of the thought of Wang Yang-ming, the Chinese thinker whose writings and philosophy profoundly influenced the political and intellectual development of China, Japan, and Korea. Viewed as a "way" of acquiring wisdom, Yang-ming's thought is traced within the context of Confucian orthodoxy and within the orbit of thought constructed by Wang himself.

HOUSE UNITED, HOUSE DIVIDED

The Chinese Family in Taiwan

MYRON L. COHEN

Through a study of the Chinese joint family in Yen-liao, a farming village in southwestern Taiwan, Dr. Cohen gives a new view of the forces that keep Chinese families together or encourage them to divide. A brilliant, carefully drawn portrait of the traditional Chinese family in a modernizing setting, this book makes fresh contributions to our knowledge about Chinese joint family organization.

INSEI

Abdicated Sovereigns in the Politics of Late Heian Japan,
1086-1185

G. CAMERON HURST, III

This is a sophisticated and trenchant analysis of the little-studied medieval institution of *insei*, a term coined by Japanese scholars to explain the confusing political events of late Heian Japan, when abdicated sovereigns emerged as important political figures. It is a valuable book for students of Japanese history, as well as for students of comparative legal and social institutions and comparative monarchy.

JAPANESE LITERATURE IN CHINESE

Volume I: Poetry and Prose in Chinese by Japanese Writers
of the Early Period

BURTON WATSON, Translator

Included in this fascinating volume are the most interesting and important examples of the poetry and prose of Japanese writers who composed in classical Chinese. Until now little of this segment of Japanese literature has been available in English translation; its appearance here makes this collection a valuable contribution to Oriental studies.

Indonesia Accuses!

Soekarno's Defence Oration in the Political Trial of 1930

Soekarno; edited, translated, annotated and introduced by Roger K. Paget, University of Colorado. The first English translation of the most famous tract of the Indonesian nationalist movement, this indictment of colonialism and forecast of future events in the nationalist movement provides important new material for students of Asian history. (Oxford in Asia Historical Memoirs) 1976 238 pp. \$22.00

Nepali Politics

Retrospect and Prospect

Rishikesh Shaha. Former U.N. Ambassador Shaha brings together information on Nepal's political history and institutions, economic situation, and international relations. He presents a well-argued case against the existing Panchayat system and advocates a return to a democratic government. 1975 220 pp.; 11 tables \$7.50

The Kingdom of Johor 1641-1728

Economic and Political Developments

Leonard Y. Andaya. After its fall in 1511, Malacca's place in the Malay world was taken by the Kingdom of Johor, which ultimately became the most powerful state in the area during the seventeenth century and for much of the eighteenth. This study traces the history of Johor during the period of 1641-1728 in the light of material derived from the records of the Dutch East India Company as well as published and unpublished Malay manuscripts. (East Asian Historical Monographs) 1975 412 pp.; 7 maps \$35.50

Adventures of an Officer in the Service of Runjeet Singh

Major H. M. L. Lawrence; with an introduction by Khushwant Singh. A foremost observer of Sikh affairs in the mid-nineteenth century, H. M. L. Lawrence was one of the famous Lawrence brothers who served the East India Company in its northern territories. His *Adventures* provides a fair and accurate account of life and politics in Ranjit Singh's Punjab as seen through the eyes of an imaginary European officer. (Oxford in Asia Historical Reprints from Pakistan) 1975 300 pp. \$19.50

The Voyages of Mohamed Ibrahim Munshi

Translated, with an introduction and notes, by Amin Sweeney and Nigel Philips. In 1871-2, the Maharaja of Johor sent court writer Mohamed Ibrahim on five voyages to various parts of the west coast of Malaya; his account of four of these voyages forms the subject of this book. *The Voyages*, which until now has been available only in Malay in the Jawi script, has considerable intrinsic merit as both a personal and an historical narrative and is unique for the period. (Oxford in Asia Historical Memoirs) 1975 180 pp. \$20.50

Prices are subject to change.

THE AUSTRALIAN JOURNAL OF POLITICS AND HISTORY

Since 1955, the Australian Journal of Politics and History has been one of the principal scholarly journals of Australia dealing with national and international affairs. The Journal emphasizes domestic history and politics, especially featuring the political chronicles which are the only available "blow by blow" documentary on Australian state, national politics and foreign affairs. The wide scope and international character of many of the articles make AJPH essential reading for historians and political scientists of all fields. A comprehensive book review section is included.

These are some of the articles which have recently appeared:

Joseph M. Siracusa, Progressivism, Imperialism and the Leuchtenburg Thesis, 1952–1974, an Historiographical Appraisal

Günter Moltmann, Anti-Americanism in Germany: Historical Perspectives

J. H. Grainger, Patriotisms

Thomas A. Bryson, Roosevelt's Quarantine Speech, the Georgia Press and the Borg Thesis: A Note

G. C. Sharman, Federalism and the Study of the Australian Political System

Colin Newbury, Colour Bar and Labour Conflict on the New Guinea Goldfields 1935–41

Nicholas S. Weber, Parvus, Luxemburg and Kautsky on the 1905 Russian Revolution: The Relationship with Trotsky

Warlord Politics in China, 1916-1928

Hsi-sheng Ch'i. The first comprehensive treatment of warlordism in 20th-century China, this study approaches regional militarism as a generic phenomenon of Chinese politics in the most complex and chaotic era of recent Chinese history. After a description of the emergence of military factions after the death of Yuan Shih-k'ai, the author analyzes their membership, goals, capabilities, and sources of cohesion, offering a convincing explanation in balance-of-power terms for the baffling advances, retreats, clashes, and changes of allegiance that have puzzled students of the era. \$11.50

KANSAI GAIDAI

(Kansai University of Foreign Studies)

Study and Living Experience in Japan

- Wide variety of academic courses on Japan and Asia
- Courses taught by experienced English-speaking Japanese scholars
- Japanese language courses, beginning through advanced levels
- Homestay with Japanese families at nominal cost
- Ideal location: near Kyoto and Nara (ancient capitals) and Osaka, Japan's industrial metropolis
- Based at a major university with excellent facilities, library and research institutes, the program is administered by an experienced staff
- Flexible program adaptable for one semester to a full-year course, for groups and individuals
- Limited number of tuition scholarships available
- Free housing accommodations will be made available to visiting scholars accompanied by a group of five or more full-time students participating in our Asian Studies Program

THE HAN RHAPSODY

A Study of the *Fu* of Yang Hsiung (53 B.C.-18 A.D.)

DAVID R. KNECHTGES

A treatment in depth, showing Yang Hsiung's importance in the development of the genre and analyzing the *Fu* from a modern critical viewpoint. *Cambridge Studies in Chinese History, Literature and Institutions* \$21.00

HSUN YUEH (A.D. 148-209)

The Life and Reflections of an Early Medieval Confucian

CHI-YUN CHEN

An analysis of the *Han-chi* and the *Shen-chien*, with a discussion of the period and Hsun Yueh's place in history. *Cambridge Studies in Chinese History, Literature and Institutions* \$22.50

ACOUSTICAL STUDIES OF MANDARIN VOWELS AND TONES

JOHN MARSHALL HOWIE

One of the first in any language to apply the techniques of acoustic phonetics to Mandarin Chinese, this book describes the acoustic cues for the perception of nine vowels and four tones. *Princeton-Cambridge Studies in Chinese Linguistics* 6 \$25.00

THE "VISALADEVARASA"

A Restoration of the Text

JOHN D. SMITH

A faithful restoration, eliminating the scribal interpolations which obliterate the meter of the original. Here, the meter is deduced and then employed as a grid, whose superimposition on any stanza reveals the authentic text. The full English translation, a critical analysis of the author's method and discussion of the linguistic elements of the poem are included. *University of Cambridge Oriental Publications* 26 \$34.00

POLITICAL STRUCTURE IN A CHANGING SINHALESE VILLAGE

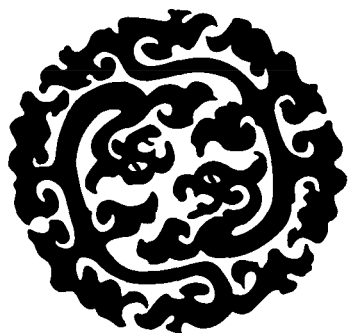

MARGUERITE S. ROBINSON

An examination of the nature of political change within a village, showing the ways in which policies at the national level can affect the political structure of such a village. The implications of this study are relevant to the larger issue of modernization in South Asia. *Cambridge South Asian Studies* 15 \$27.50

Focus on China...

Chinese Socialism to 1907

By MARTIN BERNAL. Drawing on the author's rich background of knowledge about China, this richly detailed book is the first full examination of the origins of Chinese socialism—a subject of increasing significance in the study of modern Chinese intellectual and political development. Working almost entirely with Chinese and Japanese sources, Professor Bernal argues convincingly that the roots of Chinese communism were largely indigenous and not transplanted either from the Russian Revolution or from the Western Marxist tradition generally.

\$15.00

Chinese Policy toward Indonesia, 1949-1967

By DAVID MOZINGO. This persuasive analysis of the competing forces that shaped China's policy toward an important neighboring country provides a healthy antidote to some recent writings on Chinese foreign policy. The author maintains that the tension between China's realpolitik interests and her revolutionary ethos could not be resolved in Indonesia. This same tension, he proposes, is responsible for the highly ambivalent attitude China has adopted toward other noncommunist Afro-Asian countries since 1949.

And Southeast Asia

The Rise of Nationalism in Vietnam, 1900-1941

By **WILLIAM J. DUIKER**. Why were the communists able to grasp the mantle of nationalism in Vietnam? Why, by contrast, were their rivals so ineffective in offering an alternative to communist rule? To answer these questions and others that so crucially affected the course of 20th-century Vietnamese history, Duiker traces the beginning of modern nationalism in Vietnam, explores its evolution under French rule, and relates the development of the nationalist movement to social and political changes within Vietnamese society.

Southeast Asian History and Historiography

Essays Presented to D.G.E. Hall

Edited by **C.D. COWAN** and **O.W. WOLTERS**. Dedicated to the eminent historian D.G.E. Hall, this volume brings together twenty-three original papers by his friends, colleagues, and former students. The essays include studies of indigenous source materials, linguistic studies in a historical context, and studies of institutions, episodes, and personalities. Among the disciplines represented, in addition to history, are anthropology, art history, economics, linguistics, and literature.

Sangha and State in Burma

A Study of Monastic Sectarianism and Leadership

By **E. MICHAEL MENDELSON**. Edited by **JOHN P. FERGUSON**. Based on chronicles not previously analyzed or translated in the West and on years of innovative field work, this book is the first full-length study of the sociology of the Burmese Sangha, one of the five leading monastic orders in Theravada Buddhism. The author traces the historical dimensions of sectarianism and draws on his research in Burma during the U Nu period to underline the persistence of sects in modern Burmese nationalist politics.

Merchants and Rulers in Gujarat

The Response to the Portuguese in the Sixteenth Century

M. N. Pearson

Pearson discusses the reaction of the rulers and merchants of Gujarat to the trade-control measures imposed by the Portuguese in the sixteenth century. His findings provide a fresh perspective on one medieval Indian polity, and run counter to the accepted view of them as having been wholly autocratic or even despotic.

224 pages, maps, \$12.00

Marriage and Rank in Bengali Culture

A History of Caste and Clan in Middle-Period Bengal

Ronald B. Inden

Inden begins with the Records of the Hindu and Kayastha castes. His explanation of how clans within a caste were graded and of how marriages were arranged within and between different grades clarifies long-established misunderstanding of important aspects of Indian culture.

Himalayan Traders

Christoph von Furer-Haimendorf

When Nepal opened its frontiers to outsiders in 1953, the author of this profusely illustrated study was one of the first to undertake a reconnaissance of the remote provinces in Eastern Nepal. His study led to the gathering of fascinating data on the trans-Himalayan trade which represented an essential element in the economy of these mountain dwellers until the Chinese occupation of Tibet brought political and economic upheaval.

Revolutionary Transformation in the Arab World

Habash and His Comrades, from Nationalism to Marxism

Walid Kazziha

A former officer in the Arab Nationalist's Movement presents a brief account of the Movement since the Palestine War of 1948. Filling a sizable gap in the literature of Arab politics, this book shows how events have led to the transition from Nationalist to Marxist principles, and describes the disintegration of the A.N.M. into a variety of groups and factions across the Arab world.

The Long Afternoon

British India, 1601-1947

William Golant

Meticulously documented and vividly written, this account includes not only a detailed study of the partition of India, but also a broad panorama of the beginnings of British India through the "long afternoon" of the Raj. The author pays special attention to the roles played by George V, George VI, the Viceroy, Gandhi, and the Nehrus.

India's Development Experience

Tarlok Singh

Foreword by Gunnar Myrdal

A key member of India's planning commission for seventeen years analyzes the past two decades of India's development and provides new perspectives on the country's future economic and social growth. The product of six years of research, this in-depth study covers such topics as regional growth, population policy, agriculture, industry, transport, and development in the public sector.

Published 1975 350 pages \$25.00, clothbound

Gokhale, Gandhi, and the Nehrus

Studies in Asian Nationalism

B. R. Nanda

A well-known Indian historian covers the major aspects and important figures of the Indian nationalist movement. The book illuminates the early, moderate era of Indian politics by focusing on Gokhale, analyzes the intriguing relationship between Gandhi and Nehru, and offers new perspectives on Gandhi's political career and Nehru's crucial role in the partition dilemma.

NEW INSIGHTS FROM
THE EAST

HAMADA: potter

By Bernard Leach

In their own lands Shoji Hamada and Bernard Leach, the most important figures in the world of modern ceramics, have set the highest standards. Their influence has extended to every country in which artist-potters work. Now Leach provides a magnificent, lavishly illustrated portrait of Hamada, his techniques and ideas. The two men have been close friends for more than half a century.

Previously unpublished material from fifty hours of interviews, taped in 1973, translations of selected articles and many of Hamada's unpublished letters, form a dialogue between the two masters. It follows the growth of Hamada's craft and aesthetics from his early years to the present, giving unique insights into the man and his work, his pottery collection, and his particular way of life.

A rare experience awaits the reader of *HAMADA: potter*—the only book in English to include a selection of Hamada's best pots.

40 pages in full color; 40 pages of black-and-white photographs; 30 photographs of individuals; drawings.

NEW INSIGHTS FROM
THE EAST

WAR-WASTED ASIA

Letters, 1945-46

Edited by Otis Cary

As timely today as they were 30 years ago, these letters create a brilliantly evocative account of the horrors and hopes of the time, a dark picture lightened by occasional flashes of optimism.

"First-rate reportage.... Unusually interesting letters [with] fresh impressions of postwar conditions, from American specialists on the Far East who served in Japan and China shortly after the end of World War II. Among the subjects they discuss with sensitivity and candor are the contradictory behavior of war correspondents, attitudes toward General MacArthur, war atrocities (including allegations of cannibalism), the experiences of American POW's, and local reactions to the Japanese occupation of China and the U.S. occupation of Japan. One letter contains an important account of the Japanese planning for the Pearl Harbor attack."—*Publishers Weekly* \$15.00

BUDDHIST PHILOSOPHY

A Historical Analysis

David J. Kalupahana

This introduction to Buddhism examines its basic philosophical teachings and development, setting forth complex and significant ideas in a straightforward and simple style that is easily accessible to the general reader. Part I outlines the historical background out of which Buddhism arose and emphasizes the teachings of early Buddhism. Part II examines developments in the history of Buddhist thought and the emergence of various schools. *AN EAST-WEST CENTER BOOK* ㊦

CAUSALITY: THE CENTRAL PHILOSOPHY OF BUDDHISM

David J. Kalupahana

This study, which includes a critique of views on the concept of causality expressed by modern thinkers, both Eastern and Western, gives a new perspective to studies of Buddhism. Special attention is given to early Buddhist teachings as found in the Pali Nikayas and Chinese Āgamas. By working with both Pali and Chinese sources, the author has considerably broadened the foundations of scholarship in early Buddhist philosophy.

SEARCH FOR THE ABSOLUTE IN NEO-VEDANTA

K. C. Bhattacharyya. Edited and with an introduction by George Bosworth Burch.

The introduction to this volume (hailed as the best article ever to be written on this philosopher when first published) is the only comprehensive study by a Western scholar of K. C. Bhattacharyya, who is generally recognized as the most important Indian philosopher of this century. The selected writings included in the text show the development of Bhattacharyya's thought by reprinting the central works of the three phases through which he progressed, making it possible to understand these three difficult writings as intelligible stages in the dialectical development of neo-Vedanta philosophy.
