*Theatre Research International* is the continuation of *Theatre Research/Recherches Théâtrales*. The change of title marks the assumption by Oxford University Press of responsibility for publication. The new title also indicates that the association with the International Federation for Theatre Research/Fédération Internationale pour la Recherche Théâtrale, which founded the journal, will remain. Bilingualism has not been entirely abandoned: contributions appear only in English, but articles are provided with *résumés* in French. The field continues to be the historical, critical and theoretical study and documentation of drama, conceived as the art of the theatre.

New readers might like to learn that the motif on our cover was designed by Josef Svoboda for *Theatre Research/Recherches Théâtrales* in 1966 and presented to the International Federation for Theatre Research/Fédération Internationale pour la Recherche Théâtrale.

Grateful acknowledgement of financial support is made to the Universities of Birmingham, Bristol, Glasgow, Lancaster, Liverpool, Manchester, Sussex, the University College of Swansea, and to the Toneelmuseum, Amsterdam.

MSS and books for review should be sent to the Assistant Editor, Janice McCallum, Department of Drama, University of Glasgow, Glasgow G12, Scotland, U.K.

*Theatre Research International* is published three times a year, in January, May and October at a price of £14.50 (U.K. £12.00, U.S.A. \$33.00) p.a., with single issues at £6.00 (U.K. £5.00, U.S.A. \$12.50).
