History in Africa is produced using Microsoft Word for the Apple MacIntosh. Contributors are encouraged to submit materials on diskette whenever possible. These should be in MacWrite or Microsoft Word for MacIntosh or IBM WordPerfect. Failing that, send diskettes in ASCII format; 3-1/2 inch diskettes are preferred. Always include a paper copy as well, with all text, notes, captions, and bibliographies. All copy must be double-spaced. All authors should observe the following guidelines when preparing text for *History in Africa*.

1. Do not justify right margins.
2. Do not double space after punctuation marks.
3. Do not skip lines between paragraphs.
4. Use hard returns only at the ends of paragraphs and at the ends of items in lists.
5. If using IBM WordPerfect, use the tab key, not the space bar, to indent the first line of a paragraph; if using MacWrite or Microsoft Word for MacIntosh, use the ruler or a style rather than the tab key or space bar.
6. When typing extracts, extended quotations, epigraphs, etc., do not insert hard returns in the manuscript; if using IBM WordPerfect, use the double indent feature; if using MacWrite or Microsoft Word for MacIntosh, use the ruler to adjust margins.
7. Never use all caps for subheads of texts or for authors' names in notes or bibliographies.
8. If your keyboard does not have a 1/m dash, use two hyphens with no space before, after, or between the hyphens.
9. For tables, use tabs, not hard spaces, to define columns.
10. Notes should be grouped together in a separate file, double-spaced, with no extra space between notes. Contributors using Microsoft Word for MacIntosh can use Word's endnote feature.
