

# The Dialectics of Creation

*Patterns of Birth & Regeneration in Paradise Lost*

MICHAEL LIEB

Mr. Lieb maintains in this study that the oppositions in *Paradise Lost* find their expression in the common idea of creation which governs both the language and action of the poem, and unifies its meaning. The implications of this work with regard to the whole nature of Milton's poetic language are significant.  
232 pp., bibliog., index, notes, cloth, \$7.50
