The following books of a devotional nature have been  
brought together within the

**INNER LIFE SERIES**

**The Living God**  
**The Rosary of our Lady**  
**ROMANO GUARDINI**

The first part of this book has grown out of a priest's efforts to make his congregation aware of the living reality of God. In the second he has attempted to acquaint the English-speaking Christians with the ancient form of prayer known as the Rosary. Even those who are already familiar with this can benefit from its wisdom and straightforward exposition. *9s. 6d. net*

**Symbols of Christ**  
**DAMAZUS WINZEN**

The tree, the mountain, the sun, these are pagan symbols. Why did the Jews use them, why do Christians still use them? Father Winzen has taken familiar objects and given to each a strictly scriptural interpretation, showing the way in which they interweave, harmonize and unify the two Testaments. *8s. 6d. net*
