# THE COMING REFORMATION

Geddes MacGregor

"The analysis of Protestantism is acid and severe but warranted. . . . Outlined skilfully and with learning . . . a valuable and stimulating book." E. GORDON RUPP, *Time and Tide*. 15s.

from HODDER AND STOUGHTON

## HUDSON TAYLOR AND MARIA

J. C. Pollock

"It is a tribute to the author that he has not only succeeded in writing a very thrilling biography, but has been able to supply fresh information." *Church of England Newspaper*. illus. 16s.

## GUILT AND GRACE

*A Psychological Study*

Paul Tournier

The insights of modern psychology and of enlightened Christian teaching are used to illuminate each other in this lucid study, which shows the practical bearing the Christian faith has upon personal relationships. 21s.

## KAKAMORA

Charles E. Fox

"For sympathetic insight into the character of the Melanesian people this book . . . would be hard to beat . . . he has told his story with verve, gusto and humour . . . an excellent book." *Church Times*. 15s.

## SON OF MAN

Leslie Paul

"Mr Paul's life of Christ is alive from beginning to end . . . a welcome contribution to the debate going on in so many minds today: What think ye of Christ?" DR. W. R. MATTHEWS, *Daily Telegraph*. 21s.

## KERYGMA AND MYTH

### Volume 2

H. W. Bartsch (Editor)

30s. net

Translated by R. H. Fuller

An account for the English-speaking reader of the progress of the debate on demythologization. Contributors include Rudolf Bultmann, H. W. Bartsch, Karl Jaspers, Rudolf Schanckenburg, Heinrich Ott, Gustav Bronsted, and Karl Barth. *Ready 27 April*

## THE THEOLOGY OF ACTS IN ITS HISTORICAL SETTING

J. C. O'Neill

25s. net

'Dr O'Neill's arguments about dating are open to dispute. He may have read his own predictions into his assessment of the theology of Acts. But, wherever the final hammer of chronological exactitude comes down, it will not affect the position an illuminating contribution made by his theological affirmations about the first and most formative work of ecclesiastical history ever written.'

*Church Times*

'Dr O'Neill has made a successful contribution to the current debate on the place and meaning of the Lucan writings.'

Dr C. K. Barrett: *London Quarterly*

## THE EARLIEST LIVES OF JESUS

R. M. Grant

15s. net

'Dr Grant's learning and insight are beyond question. This book is authoritative and indispensable both for New Testament and for patristic study.'

*London Quarterly*

## A NEW WAY OF LOOKING AT THE GOSPELS

D. E. Nineham

3s. 6d.

Four broadcast talks in which Professor Nineham helps his reader to a fresh understanding of what Christ said about his Father's Kingdom and of the relevance of that teaching to-day.

## POEMS OF THE WESTERN HIGHLANDERS

G. R. D. McLean

42s. net

'A reader of this book will have an intimate knowledge of what the great body of Highland poetry in its essence is. . . . This is a valuable anthology making a great and ancient world accessible.'

*Scotsman*

### **THE ETHIC OF JESUS IN THE TEACHING OF THE CHURCH**

Its authority and its relevance

By JOHN KNOX.

12s. 6d. net

An important book in which Dr. Knox suggests principles for applying the New Testament ethic in such a way as to enable man to fulfil the righteous demands of God to the best of his human abilities.

### **THE TRANSCENDENCE OF GOD. A Study in Contemporary Philosophical Theology.**

By EDWARD FARLEY.

21s. net

In this book the author studies the transcendent aspect of God as developed by five contemporary theologians—Reinhold Niebuhr, Paul Tillich, Karl Hein, Charles Hartshorne and Henry Nelson Wieman.

### **CHRIST IN ME. A Study of the Mind of Christ in Paul**

By DERRICK GREEVES.

*Paper covers, 5s. Boards, 7s. 6d. net*

*(The Methodist Lent Book for 1962)*

These chapters are offered to anyone who will spend a few hours with the New Testament in order to reaffirm the fact that we have no Saviour but Jesus and that Paul is truly His prophet.

### **THE PATTERN OF PRAYER**

By W. E. SANGSTER and LESLIE DAVISON

3s. 6d. net

This is a handbook for groups of Christians who want to learn how to pray together, and a manual for the individual in the art of private prayer. It is an essential tool for Prayer-Cell leaders and for all who want to guide small groups and fellowships into the wealth and power of corporate prayer.

## **Thomas Cranmer**

JASPER RIDLEY

This comprehensive biography is an important re-examination of Cranmer's life and opinions, including his famous recantations and retraction; for his facts the author has gone to contemporary sources, and presents a considerable amount of new material which has surprisingly been ignored by all previous biographers. He not only throws new light on his subject but also tells a full and connected story.

## **A Life of Archbishop Parker**

V. J. K. BROOK

Matthew Parker did not devise the Elizabethan Settlement, entirely congenial as it was to his beliefs and temperament. But the task of putting it into effect fell to him as Archbishop of Canterbury, and the difficulties were enormous. Parker's kindness, honesty, moderation, and wisdom contributed very considerably to the initial success of the Settlement and this new book is an appropriate tribute to his importance for the Church of England.

# THE PRE-CONQUEST CHURCH IN ENGLAND

MARGARET DEANESLY

'Here for the first time a book has brought together the archaeological evidence and shown how it modifies the established picture of the Anglo-Saxon Church. But there is nothing whatever in this treatment that is dry-as-dust. This is a friendly, gentle, understanding portrait of Anglo-Saxon religion and an outstanding piece of scholarship and writing.' PROFESSOR OWEN CHADWICK. *38s. net*

Volume I in *An Ecclesiastical History of England*

*By the same author: Ready in May*

## SIDELIGHTS ON THE ANGLO-SAXON CHURCH

A study of a number of subjects needing more specialised treatment than could be given in *The Pre-Conquest Church in England*. A variety of topics on the archaeological, literary and administrative borderline of early English church history is discussed with the same original scholarship, mastery of old and new material and charm of style for which the author's previous volume has been widely commended.

*25s. net*

## MONASTIC LIFE IN MEDIEVAL ENGLAND

J. C. DICKINSON

'Of the numerous surveys of the subject in recent years Mr Dickinson's is in many ways the most successful... his statements are firmly anchored to medieval documents and modern scholarship... he can be trusted throughout for his facts and for his judgments... a lively and incisive style that holds the reader's attention.' PROFESSOR D. M. KNOWLES. 56 photographs, 6 plans. *38s. net*

*Bible Key Words Series*

## LAW

HERMANN KLEINKNECHT and W. GUTBROD

The importance of this study rests on the necessity of an understanding of the nature of law for a full understanding of the Gospels. As in the previous books in the series the reader will find here stimulating and constructive thinking based on sound exegesis. The editor has brought the material entirely up-to-date by additions to the bibliography by his own footnotes. *Edited by Dr P. R. Ackroyd. April. 15s. net*

## FAITH

RUDOLF BULTMANN and A. WEISER

'One of the most important additions to this increasingly useful series of monographs which present Kittel's major articles to the English reader. The treatment of the history of the concept of faith is thorough and excellently documented.' CHURCH TIMES *12s. 6d. net*

# Peake's Commentary on the Bible

completely revised and reset

*General Editor and New Testament Editor*  
**Matthew Black DD DLitt DTheol FBA**

*Old Testament Editor*  
**H. H. Rowley DD BLitt TheolD FBA**

The production of this entirely new commentary on the Bible is an event of importance in post-war publishing. Since its appearance forty-three years ago, the name *Peake's Commentary* has become synonymous with the essential reference book for Bible study.

This new volume provides all students of the Scriptures with the most recent scholarship in the interpretation of the Bible, derived from archaeology, from the discovery of new manuscripts, and from the more accurate translation of the text. The Editors have had the assistance of a distinguished Advisory Board. Its members, like the sixty-two contributors to the volume, are drawn from Great Britain and America, and are representative of all branches of the Protestant Church.

The *Commentary*, which is based on the text of the *Revised Standard Version* of the Bible, contains a hundred separate articles, including forty special articles supplementing the commentary proper. Sixteen maps in full colour utilize the most accurate and up-to-date information. A fully analytical index provides quick and easy reference.
