The Journal of Symbolic Logic (ISSN 0022-4812) is published quarterly, in the months of March, June, September, and December, by the Association for Symbolic Logic, Inc., at 1325 South Oak Street, Champaign, IL 61820, U.S.A. Second class postage is paid at Champaign, IL and additional offices. The Journal is distributed with The Bulletin of Symbolic Logic; the 1996 annual subscription price for the two journals is $260. Postmaster: Send address changes to ***The Journal of Symbolic Logic, Journals Division UIP, 1325 South Oak Street, Champaign, IL 61820, U.S.A.*** Business correspondence should be sent to the Secretary-Treasurer of the Association, C. Ward Henson (address on inside back cover).

The Journal and the Bulletin are the official organs of the Association for Symbolic Logic, an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for members are $52, or $26 for students. Dues include subscriptions to the current volumes of the Journal and the Bulletin. For their personal use, members may purchase back volumes at a discount.
