Explaining Political Tunnel Vision: Politics and Economics in Crisis-Ridden Europe, Then and Now – CORRIGENDUM

doi S0003975615000041, Published by Cambridge University Press,
May 2015.

On page 80, line 5 President Dwight D. Eisenhower is identified as having nominated Arthur F. Burns to be chair of the US Federal Reserve. This is in error: President Richard Nixon made the nomination.
