

NEWS OF THE ASSOCIATION

The Middle East Studies Association of North America, Inc. (MESA) was organized in 1966 by a group of American and Canadian scholars on the Middle East to promote high standards of scholarship and instruction in the area, to facilitate communication among scholars through meetings and publications, and to foster cooperation among persons and organizations concerned with the scholarly study of the Middle East. The area included within the Middle East runs from Morocco to Pakistan and from Turkey to the Sudan. MESA is concerned with this area primarily since the rise of Islam and from the viewpoint of the social science and humanistic disciplines.

Persons of scholarly attainment in Middle East studies are eligible to become members of MESA. Application for membership is made on an application form obtainable from the Executive Secretary, Middle East Studies Association, New York University, Washington Square, New York, New York 10003. Each application is acted upon individually. Membership is on a calendar year basis.

The following New Members have joined MESA since the last annual meeting. In some cases, former student members or associates have become Fellows and Regulars.
