MCCLOY, ELINOR W. Studies on a lysogenic <i>Bacillus</i> strain. I. A bacteriophage specific for <i>Bacillus anthracis</i>	114

The Journal of Hygiene is issued in four parts to a volume.

Quotations can be given for back volumes on application.

Papers for publication should be sent to Professor E. T. C. SPOONER, London School of Hygiene and Tropical Medicine, Keppel Street, Gower Street, London, W.C. 1. Other communications should be addressed to the University Press, Cambridge.

Papers forwarded to the Editor for publication are understood to be offered to *The Journal of Hygiene* alone, unless the contrary is stated.

Contributors receive twenty copies of their papers free. Twenty-five additional copies may be had at cost price: these should be ordered when the final proof is returned.

The subscription price is £3. 15s. 0d. per volume (post-free), payable in advance; single numbers 20s. net. Subscriptions may be sent to any Bookseller, or to The Cambridge University Press, Bentley House, 200 Euston Road, London, N.W. 1.

The subscription price in the U.S.A. is \$12.50. Enquiries should be addressed to the American Branch of the Press at 51 Madison Avenue, New York, 10.

Printed in Great Britain at the University Press, Cambridge (Brooke Crutchley, University Printer)
