

ERRATUM

Algebraic/transcendental disturbance growth behind a row of roughness elements – ERRATUM

M. E. GOLDSTEIN, ADRIAN SESCU, PETER W. DUCK
AND MEELAN CHOUDHARI

doi:10.1017/S0022112010004726, Published by Cambridge University Press,
10 February 2011

It has come to our attention that in the printed version of Goldstein *et al.* (2011) figures 8, 9, 10 and 11 were printed in black and white when they should have appeared in colour. The reader is referred to the online version of this article where the colour is correct for all figures.
