

INDEX TO VOL. LVI.

PART I.—GENERAL INDEX.

- Acute mania, relapsing into unconsciousness, a case of, 316
Admission rates, 115, 117, 124
Ætiology, 138, 349, 725
After-effects of lumbar puncture, 496
Altruism, 592
Alcoholic epilepsy, 143
 " insanity, 25
 " " definition of, 25
 " " diagnostic signs of, 30
 " " morbid anatomy of, 47
 " " pathology of, 58
 " " symptoms of, 30, 32
Alcohol, its relation to feeble-mindedness, 159
American Medico-Psychological Association, 385
Amnesia, hysterical, 724
Anæsthesia, mental confusion and moods, 693
 " peripheral, 419
Analysis of dreams, the, 346
Annual dinner, the, 775
Antipathy arising from a dream, 729
Aorta, abdominal, thrombosis of, 531
Appointments, 188, 387, 587, 780
Arterio-sclerotic psychoses, 532
Asylum dysentery, causes and treatment of, 296
 " " preventive measures, 201
 " officers' superannuation, 368
 " reports, 161, 544, 737
 " service of Cape Colony, 269
 " Workers' Association, 513
Auditor, appointment of, 752
Automatism in crime, 736
Auto-suggestion and delusional insanity, 311
Auras, epileptic, 726

Bacilli, milk-curdling, 423
Bacteria in the pathology of the nervous system, 734
Bacteriological investigation into general paralysis, 647
Balance sheet, 758
Berlin International Congress, 385, 765
Birth-rate and social position, 676
Blood-count in alcoholic insanity, 38
Blood of the insane, a reaction in, 524
Blood-pressure in alcoholic insanity, 37
 " in mental disorders, 96
Blood, the, in epilepsy, 686
 " " organisms in, in mental disease, 98
LVI.

- Bordet-Gengou reaction, 525
 British Medical Association, annual meeting of (1910), 715
- Cape Colony, asylum service of, 269
 " " lunacy administration in, 261
 " " registration of mental nurses in, 271
 Care and training of feeble-minded, 253
 " of poor insane, 322
 Causes of death in insane, 363
 " of insanity, with especial reference to the correlation of assigned factors, 1
 Cell-counts in diagnosis, 487
 Censure, 438
 Census, the next, 371
 Cerebral cortex of lemur, 132
 Cerebral hemispheres, average weights of, 231
 " " convolitional pattern of, 235
 Cerebral paralysis, transient, causes of, 138
 Cerebral tumours, 146
 Cerebro-spinal fluid an aid to diagnosis, 485
 " " " in alcoholic insanity, 496
 " " " in dementia præcox, 495
 " " " in epilepsy, 495
 " cadaveric, 497
 " examination of, 732
 Cholesterin in cerebro-spinal fluid, 361
 Chorea, Huntingdon's, cases of, 506
 Christianity, effects of introduction of, 592
 Classification, Tanzzi's, 516
 Clinical neurology and psychiatry, 138, 354, 524, 726
 Clinical note, a, 499
 Clouston, Dr., presentation to, 375
 Coagulation rate in alcoholic insanity, 38
 Cobra venom reaction, 525
 Communicated insanity, 480
 Committee, educational, 753, 755
 " library, 753
 " parliamentary, 753
 " " report for year 1909-10, 759
 Complement, deviation of the, 630
 Complex, a, elements of, 434
 Concept of insanity, the scientific, 605
 " " the empirical, 597
 " " the volitional, 590
 Conceptions of insanity, 589
 Conduct, insanity as disorder of, 405
 Confabulation in alcoholic insanity, 41
 Congress, Berlin international, 385
 " of French alienists, 336
 " of psychology, international, 187
 Control of the insane with criminal tendencies, 542
 Cornu ammonis, changes in, in epilepsy, 147
 Correlation of causes of insanity, 6
 Creatinine, excretion of, 201
 " method of estimations of, 204
 Criminal anthropology, the beginnings of, 161
 " classes, insane conditions amongst, 653
 " lunatics, control of, 542
 " responsibility of lunatics, 326
 Cysticercus, cerebral, plasma cells in, 542
- Death-rates, 115, 119, 124

- Delirium tremens, relationship to alcoholic poisoning, 29
 Degeneracy and eugenics, 670
 Delusional insanity, auto-suggestion and, 311
 Dementia præcox and dental impaction, 725
 " " blood in, 730
 " " pathology of, 148
 " " psychology of, 327
 " " syphilis as a cause of, 138
 Dementia præcocissima, 726
 Deviation of the complement in mental diseases, 630
 Dinner, annual, the, 775
 Diploma in psychological medicine, 373
 Dissociation of a personality, 518
 Divisional meetings, 183, 573, 776
 Dolsa, Dr. 344
 Dreams, analysis of, 346
 " Freud's theory of, 443
 Drugs and the drug habit, 128
 Drunkenness and alcoholic insanity, 30
 Dysentery, asylum, causes and treatment of, 296
 " " preventive measures, 301

 Election of members, 174, 368, 556, 767
 Electric bath treatment, 189
 Encephalitis, traumatic, cases of, 363
 Ependymal alterations in general paralysis, 89
 Epilepsy, alcoholic, 143
 " anæsthesia in, 693
 " changes in cornu ammonis in, 147
 " in senile dementia, 151
 " treatment by bromoglidine, 533
 " " by salt-free diet, 533
 " viscosity of blood in, 686, 688
 Epileptic auras, 726
 " equivalent, 727
 Epileptics, observations on, 470
 Epithelioma in general paralysis, 531
 Equilibrium, investigation of, 717
 Essential excitement, 700
 Estimation of leucocytosis in cases of insanity, 63
 Eugenics and degeneracy, 670
 Excitement, treatment of, in asylums, 700

 Feeble-minded, the, bodily signs in, 462
 " " care and training of, 253
 " " diagnosis and treatment of, 459
 " " marriage of, 261
 Feeble-mindedness and juvenile delinquency, 159
 Fissures and convolutions of the insane brain, the, 150
 Forcible feeding, 114
 Freud, a psychology of, 431
 Freud's psycho-analytic method, a criticism of, 536
 Fugues, 336

 Gaskell memorial fund, 759
 General paralysis, bacteriological investigation of, 647
 " " brain surface in, 129
 " " epithelioma in, 531
 " " juvenile, 144
 " " infective foci in, 640
 " " lymphocytosis in, 652
 LVI.

- General paralysis, pathological anatomy of, 541
 " " plasma cells in, 539, 541
 " " persistence of neuro-fibrillæ in, 151
 " " symmetrical gangrene of the extremities and, 146
 " " syphilis, its relation to, 339
 " " serum treatment of, 574
 " " three unusual cases of, 509
 " " Wassermann reaction in, 649
 Genius, a study of, 723
 Governesses, paranoia of, 730

 Hallucinations, visual, in the sane state, 523
 Hanwell Asylum, historical survey of, 558
 Headaches, neurasthenic, 142
 Heredity of diathesis of phthisis and insanity, 349
 " and neuro-insane constitution, 273
 Homosexuality, inborn, 145
 Housing Committee, 765
 Huntington's chorea, notes on cases of, 506
 Hyslop, Dr. J., 377
 Hysteria and other psycho-neuroses, 327
 " notes on a case of, 502
 " psycho-analysis and, 725
 " suicide and, 729
 " treatment of, by psycho-analysis, 733
 Hysterical amnesia, 724
 Hysteroid movements, case of, 317

 Ideation, co-conscious, 348
 Income-tax and families, 683
 Infective foci in general paralysis, 640
 Insane brain, fissures and convolutions of, 150
 " conditions amongst the criminal classes, 653
 " poor, care of, 322
 Insanity, alcoholic, 25
 " as disorder of conduct, 405
 " causes of, with especial reference to the correlation of assigned factors, 1
 " post-operative, 727
 Insomnia, treatment of, 154
 Inspectors in lunacy (Ireland), 557
 International committee for the study and prophylaxis of mental disease, 390, 512
 " " articles of, 393
 " " constitution of, 396
 " " history of, 390
 " " Vienna meetings of, 397
 " " work of, 397
 " congress for the care of the insane, 583
 " " of psychology, 187
 Intra-cerebral hæmorrhage in the insane, 152
 Isolation in the cure of psycho-neurosis, 157

 Juvenile general paralysis, 144
 " " and spasmodic paraplegia, 357

 King Edward VII, death of, 556
 Korsakow's polyneuritic psychoses, 25, 138

 Laboratories in Scotland, 629
 Lactic acid bacillus, treatment of melancholia by, 422
 Leucocytosis in insanity, 66
 Library, the, 112, 188, 386, 584, 779

- Lombroso (Prof.), 343, 383
 Lumbar puncture, after-effects of, 496
 Lunacy administration in Cape Colony, 261
 " in Scotland, 612
 " Commission, 321
 Lymphocytosis in general paralysis, 652
 Manual of psychiatry, 325
 Marriage and insanity, 716
 " of feeble-minded, 261
 Medico-Psychological Association, adjourned annual meeting, 167
 " " balance-sheet, 758
 " " meetings of, 172, 368, 555, 752
 Melancholia, treatment of, by lactic acid bacillus, 422
 Mental excitement, treatment of, 700
 Mesmerism and Christian science, 720
 Millingen, Dr. J. G. van, 581
 Mitchell, Sir A., 378
