Insights into the role of turkeys as potential intermediate host for influenza viruses

S.A. ABID, T. AZEEM, W. AHMAD, Z.I. CHAUDHRY and S. UMAR

doi:10.1017/S0043933916000520. Published online by Cambridge University Press, 26 May 2016.

The authors regret that an error was made in the author affiliations of the published paper (Abid *et al.*, 2016). When originally published the affiliation of 'National Veterinary School of Toulouse, France' was added in error to the author information for S. Umar. The authors would like to apologize for this mistake.
