THE WALDORF-ASTORIA, NEW YORK, NY.

Sponsor: The International Oculoplastic Society.

Honorary Chairman/President: John Conley, M.D., New York.

CONTACT: I.F.S.C. Secretary, c/o Pierre Guibor, M.D., 630 Park Avenue, New York, NY 10021/call (212) 734-1010.

TEMPORAL BONE SURGICAL DISSECTION COURSES**OFFERED BY****THE DEPARTMENT OF OTORHINOLARYNGOLOGY****THE UNIVERSITY OF MICHIGAN MEDICAL SCHOOL, ANN ARBOR, MICHIGAN****MALCOLM D. GRAHAM, M.D.—COURSE DIRECTOR****20–24 SEPTEMBER 1982****8–12 NOVEMBER 1982****10–14 JANUARY 1983**

THESE Courses will be given in the new Temporal Bone Surgical Dissection Laboratory of the Department of Otorhinolaryngology and the Kresge Hearing Research Institute of the University of Michigan.

These intensive one week courses will emphasize the surgical and anatomical approaches to the temporal bone and will be presented in a manner relevant for the otologic surgeon, utilizing lectures and videotape presentations of surgical techniques, as well as temporal bone dissection.

Both mornings and afternoons will be spent in the dissection laboratory, thereby giving extensive drilling experience in both temporal bone anatomy and surgical techniques. Lectures and demonstrations will be provided by members of the faculty of the Department of Otorhinolaryngology and Kresge Hearing Research Institute, thereby uniquely blending basic science and clinical otologic instruction. Drill handpieces and dissection instruments will be provided.

The fee for these courses will be \$1,000.00 for each physician.

For further information, contact: Malcolm D. Graham, M.D.,
Department of Otorhinolaryngology,
Kresge Hearing Research Institute,
University of Michigan Medical Center,
Ann Arbor, MI 48109, U.S.A.

FREE UNIVERSITY AMSTERDAM**THE NETHERLANDS****HEAD AND NECK POSTGRADUATE COURSE****24, 25 and 26 NOVEMBER**

THE THIRD postgraduate course in Head and Neck Oncology and Surgery is organized by the Departments of Otolaryngology, Oral Surgery and Pathology of the Free University Hospital, Amsterdam. The course will be held at Hotel Kasteel 't Kerkebosch, Zeist, starting on Wednesday 24 November at 09.00 h. for a period of three days.

Topics to be included are: diagnosis and surgery of oral cavity tumours; management of neck nodes, including radical and functional neck dissection; principles and applications of reconstructive surgery, including myocutaneous

flaps; diagnosis and management of salivary gland tumours; and current developments in radiotherapy, chemotherapy and tumour immunology. The course, which will be given in English, includes lectures, panel discussions, films and videotapes.

Course directors: Prof. Dr. G. G. Snow and Prof. Dr. I. van der Waal. Guest faculty: I. A. Mc Gregor, F.R.C.S., Glasgow and Prof. R. B. Lucas, London.

The course fee is Dfl. 950,—including hotel accommodation with full board or Dfl. 600,—including coffee, lunch, tea but not hotel accommodation. Participation will be limited to 40.

For further details and registration form, please write to Mrs. O. C. von Freytag Drabbe, E.N.T. Department, Free University Hospital, de Boelelaan 1117, 1081 HV Amsterdam, the Netherlands.

THE UNIVERSITY OF BIRMINGHAM

FACULTY OF MEDICINE AND DENTISTRY
BOARD OF GRADUATE CLINICAL STUDIES

ADVANCED NASAL SURGERY COURSE

A ONE-WEEK course on the above subject will be held from Monday 27th September to Friday 1st October, 1982, at the Birmingham and Midland Ear & Throat Hospital, Edmund Street, Birmingham B3. The Course will largely be devoted to the surgery of the nasal septum and the external pyramid. There will be an international panel of guest lecturers. The course will be comprehensive and will include lectures, televised operative demonstrations, films and opportunities for cadaver dissection.

The University will give assistance in obtaining suitable hotel accommodation and in addition, a limited amount of accommodation will be available in one of the University Halls of Residence at an additional cost, for dinner, bed and breakfast.

Enrolment on the course is limited to 30 and early application is advised.

Course fee: £185.00.

Enquiries and applications should be addressed to: Mrs. Victoria Gilbert, Administrative Assistant, Board of Graduate Clinical Studies, The Medical School, Birmingham B15 2TJ, and accompanied by the course fee. Cheques should be made payable to the 'University of Birmingham'. Please indicate on your application if you wish accommodation in a Hall of Residence or in an hotel.

WARWICKSHIRE POSTGRADUATE MEDICAL CENTRE
STONEY STANTON ROAD, COVENTRY CV1 4FG
THE MIDLANDS COURSE IN OTORADIOLOGY

A One-Day Course in advanced radiology of the temporal bone with special emphasis on multi-directional tomography and high resolution C.T. will be held on Saturday, 30 October 1982 at the Walsgrave Hospital, Clifford Bridge Road, Coventry.

Tomographic anatomy will be described and a wide range of temporal bone pathology demonstrated. There will be practical demonstrations of sophisticated radiological techniques as well as critical group discussions of their value in clinical otology. The course is intended for Otologists of Consultant and Senior Registrar status, as well as Neuroradiologists and those with an interest in Otoradiology. Speakers will include Dr. Glyn Lloyd, of the Royal National Ear, Nose and Throat Hospital, London.

The course fee, inclusive of luncheon and refreshments is £25.00. Numbers will be limited to 40 and early application is advised. Preference initially will be given to those who applied but were unable to be accommodated in 1981.

Applications with cheques, made payable to "W.P.G.M.C. Area Director's Account" should be sent to Miss M. Adams, Admin. Assistant, Warwickshire Postgraduate Medical Centre, Stoney Stanton Road, Coventry CV1 4FG as soon as possible but not later than 1 September 1982.
