THE KEPLER EXTRACT OF MALT

Weighty Testimony!

PREPARED FROM BARLEY
ONLY.

CONTAINS all the VALUABLE
DIGESTIVE and NUTRIENT
PRINCIPLES of the GRAIN,

viz.:

DIASTASE,
ALBUMENIDS,
MALTOSE,
PHOSPHATES OF CALCIUM,
SODIUM, and POTASSIUM.

It is
NON-ALCOHOLIC,
NUTRITIOUS,
DIGESTIVE,
EMOLLIENT;
and is
SPECIALLY INDICATED
AS A FOOD
IN CASES OF CONSUMPTION,
IMPAIRED DIGESTION,
SCROFULA, RICKETS,
MAL-NUTRITION, &c., &c.

What does THE LANCET say?

“It is the *best known* and, in this country the *most largely used* Extract of Malt. It is as distinct an advance in therapeutics as was the introduction of cod liver oil.”

What does THE BRITISH MEDICAL JOURNAL say?

“We can recommend the Kepler Malt Extract. Being prepared at a low temperature, its qualities are not deteriorated nor is its flavour spoiled. It is very agreeably spoken of, both in respect of nutritive and digestive properties, and being of *very agreeable flavour*.”

What does THE MEDICAL TIMES AND GAZETTE say?

“*By far the best*. The Extract of Malt is the *most widely known and most largely used* in this country.”

What does HELBING'S PHARMACOLOGICAL RECORD say?

“The Kepler Extract of Malt is an *excellent preparation*, which, although closely approached by other products in one or two other respects, *asserts its great superiority* when all the factors are taken into consideration.”
