The therapeutic properties of Silver Vitellir have been well known for the past twenty years. The combination into a **stable solution** of Silver Vitellin and natural laevorotatory Ephedrine—a powerful and lasting congestion-relieving agent—in normal saline gives Argotone immediate acceptance as the ideal treatment for nasal affections and their complications.

ARGOTONE is an ethical preparation **not advertised to the Public**, and can be prescribed with every confidence. Immediate decongestion and rapid disinfection are obtained without possibility of harm to the delicate mucous membranes.
