### Contributors

SARA BERRY is Professor of History at Johns Hopkins University. Her most recent book is *Fathers Work for their Sons: accumulation, mobility, and class formation in an extended Yoruba community* and she is working on comparative studies of agrarian change in Africa.

MITZI GOHEEN is Associate Professor of Anthropology at Amherst College and Chair of the Five College African Studies Council. Most of her published research and her forthcoming book focus on Cameroon, where she is engaged in a project on the media, nationalism and popular culture.

PAULINE E. PETERS is an Associate at the Harvard Institute for International Development and Lecturer in the Department of Anthropology at Harvard University. She has recently completed a book manuscript on which the present article is based. Her recent research has been in Malawi and focuses on the commercialisation of agriculture among small farmers.

PARKER SHIPTON is an Institute Associate at the Harvard Institute for International Development and Lecturer in the Department of Anthropology at Harvard University. He is the author of the short monograph *Bitter Money: cultural economy and some African meanings of forbidden commodities* and other publications mainly on Kenya and the Gambia.
