General notes

THE SECOND INTERNATIONAL EVOKED POTENTIALS SYMPOSIUM

CLEVELAND, OHIO 18–20 OCTOBER 1982 INVITED FACULTY

Professor R. Galambos, LaJolla, California, U.S.A.

Professor S. A. Hillyard, San Diego, California, U.S.A.

Professor W. B. Matthews, Oxford, England.

Professor T. Picton, Ottawa, Ontario, Canada. Professor D. M. Regan, Halifax, Nova Scotia, Canada.

Professor S. Sokol, Boston, Massachusetts, U.S.A.

Professor J. E. Desmedt, Brussels, Belgium.

PAPERS welcome covering all aspects of evoked potentials: Auditory, Visual, Somatosensory, Psychological Correlates, Pharmacological Agents, Basic Research, Clinical Applications, etc.

Deadline for titles: 18 November 1981.

For further information, write to: Colin Barber, Ph.D.,

Chairman, Program Committee,

Nottingham, England.

THE TWJ FOUNDATION

The Trustees of the TWJ Foundation invite applications for

Two Otological Travelling Fellowships

To enable the holders to visit Otological Centres in the United States of America, over a period of three weeks in 1982.

Applicants must be Fellows of one of the Royal Colleges of Surgeons and have been recently appointed as Consultant Otolaryngologists in the National Health Service.

Further details concerning applications should be obtained now from:

The Trustees of the TWJ Foundation, 2 West Road, Guildford, Surrey.

The closing date for formal applications will be 17 October 1981.

TWELFTH GLASGOW TEMPORAL BONE COURSE

A three-day practical course in temporal bone dissection will be held in Glasgow over the week-end 30, 31 October and 1 November 1981. The course will comprise dissection of the temporal bone integrated with lectures on the indications, techniques and results of otological surgery and on the growth and histological anatomy of the temporal bone. This will be supplemented by televised surgical demonstrations.

The course is primarily designed for those in the Registrar and Senior Registrar Grade and is approved by the Postgraduate Medical Education Committee and is therefore approved for study leave and expenses.

Further details and application forms can be obtained from:

Mr. G. G. Browning, Glasgow University Department of Otorhinolaryngology, Royal Infirmary, Glasgow G4 0SF.

TEMPORAL BONE SURGICAL DISSECTION COURSES OFFERED BY

THE DEPARTMENT OF OTORHINOLARYNGOLOGY

THE UNIVERSITY OF MICHIGAN MEDICAL SCHOOL, ANN ARBOR, MICHIGAN

MALCOLM D. GRAHAM, M.D.—COURSE DIRECTOR

19-23 October 1981 30 November-4 December 1981 18-22 January 1982

8–12 March 1982

19-23 April 1982 14-18 June 1982 20-24 September 1982 8-12 November 1982

THESE Courses will be given in the new Temporal Bone Surgical Dissection Laboratory of the Department of Otorhinolaryngology and the Kresge Hearing Research Institute of the University of Michigan.

These intensive one week courses will emphasize the surgical and anatomical approaches to the temporal bone and will be presented in a manner relevant for the otologic surgeon, utilizing lectures and videotape presentations of surgical techniques, as well as temporal bone dissection.

Both mornings and afternoons will be spent in the dissection laboratory, thereby giving extensive drilling experience in both temporal bone anatomy and surgical techniques. Lectures and demonstrations will be provided by members of the faculty of the Department of Otorhinolaryngology and Kresge Hearing Research Institute, thereby uniquely blending basic science and clinical otologic instruction. Drill handpieces and dissection instruments will be provided.

The fee for these courses will be \$1,000.00 for each physician. For further information, contact: Malcolm D. Graham, M.D.,

Department of Otorhinolaryngology, Kresge Hearing Research Institute, University of Michigan Medical Center, Ann Arbor,

MI 48109, U.S.A.

ANNUAL MID-WINTER SYMPOSIUM N PRACTICAL SURGICAL PROBLEMS IN OTOLARYNGOLOGY

SNOWMASS (ASPEN), COLORADO

20-27 FEBRUARY 1982

ONSORED by: Lutheran General Hospital, 30 Category I Continuing Education edits.

For registration and travel arrangements contact: Mr. Richard J. Blamey, JNARD CRUSADER WORLD TRAVEL, Friary House, 15 Colston Street, Bristol 31 5AP, England.

R Contact: Robert M. Meyers, M.D.,

c/o Office of Continuing Medical Education, Lutheran General Hospital, 1775 Dempster Street, Park Ridge, Illinois 60068 U.S.A.

PRACTICAL TINNITUS MANAGEMENT

SATURDAY, 21 NOVEMBER 1981

at
