“It is rare that a book completely changes our perspective on a major body of rock art... this groundbreaking book is eminently readable despite the complexity of the concepts involved.” —Jean Clottes, author of *Cave Art*

“*The White Shaman Mural* not only provides a thorough demonstration of technique, but it also raises provocative issues regarding the history and cosmivision of Native America.”—Alfredo López Austin, UNAM

Authors of papers on Latin American topics are encouraged to submit their work to *Latin American Antiquity*. Papers on Latin American archaeology addressing broad methodological, theoretical, or comparative issues may be accepted by either journal after consultation with the editors. Authors submit manuscripts to the editor for consideration as ARTICLES, REPORTS, COMMENTS, or FORUM essays. REVIEWS and BOOK NOTES are solicited by the respective associate editor. OBITUARIES should be submitted to the editor, *The SAA Archaeological Record*, for publication (see *SAA Bulletin* March/April 1996, p. 7, for further details).

Authors are required to submit manuscripts electronically through Editorial Manager® (<http://www.editorialmanager/aaq>).
