The Journal of the African Studies Association

The mission of the ASR is to publish the highest quality articles and book and film reviews in all academic disciplines that are of interest to the interdisciplinary audience of members of the African Studies Association (ASA). Manuscripts that may be of high quality but in the editors' judgment have an appeal only to a single disciplinary audience will not be considered. The editors welcome manuscript submissions from scholars everywhere, whether or not they are members of the ASA. Each manuscript is sent out to a panel of peer reviewers whose judgment the editors rely upon in deciding whether to accept the manuscript for publication.

Manuscripts and correspondence about them should be sent to the editors. A manuscript may be submitted electronically as an attachment to an e-mail message, or via the post. In the latter case, please send four copies. The peer review process proceeds more quickly for those manuscripts submitted electronically.

The ASR will only consider manuscripts for review that meet the following conditions:

- The work is submitted by its author or co-authors and not by a proxy.
- The work is original and has not been published elsewhere either in whole or in part.
- The work is not currently under consideration for publication with another journal or publisher.

Upon submitting a manuscript for editorial consideration, authors must include a statement declaring that the submission meets these conditions.

Format requirements are spelled out in the Style Guide, published in the September 2000 issue (Vol. 43, No. 2), and on the journal's Web site:

The editing of the *African Studies Review* is funded by Five Colleges, Inc., a consortium representing Amherst College, Hampshire College, Mount Holyoke College, Smith College, and the University of Massachusetts Amherst.
