

Economics

Books and Journals from
Cambridge University Press

Cambridge's economics list is renowned for the breadth and quality of its publishing.

Our book list is home to the work of some of the most important economists in the history of the discipline, most notably John Maynard Keynes, as well as the work of almost 30 Sveriges Riksbank Nobel Prize laureates, including Kenneth Arrow, Herbert Simon, Robert Solow and Joseph Stiglitz.

This is complemented by a cluster of key journals such as *Econometric Theory*, *Journal of Economic History* and *Journal of Financial and Quantitative Analysis*.

Law

Books and Journals from Cambridge University Press

Cambridge have an established and ever expanding academic law list in public and private law subjects crossing books and journals aimed at a global readership.

Particular strengths lie in international law, human rights and transitional justice, transnational and comparative law, jurisprudence, and legal history.

We also publish a growing number of titles with an inter-disciplinary and socio-legal approach.
