NOTICE TO CONTRIBUTORS

Contributions, which may deal with any aspect of medical history or bibliography, are invited. The maximum length for original articles is about 10,000 words. Previously unpublished texts and documents, short papers, and bibliographical notes and queries will also be welcomed.

Manuscripts should be typewritten with double spacing and wide margins. The Editor reserves the right to make literary corrections. Captions or legends of illustrations should include particulars of their source and should be typed on a separate sheet. References should be arranged in number order, or alphabetically by author, and typewritten in double space. Each reference should contain name(s) and initial(s) of author(s) and full title of paper or work. Journal articles should also include name of journal, year, volume number, and complete pagination, in that order. Abbreviations of journal citations should conform to the style used in the *World List of Scientific Periodicals*. With books, the city of origin, publisher, date, and full pagination should be given.

A galley proof, which should be corrected and returned to the Editor as quickly as possible, will be sent to every contributor of an original article.

Contributors of main articles will receive fifty reprints free of cost. Particulars of the cost of additional reprints will be sent before publication, and orders for additional reprints should be made by return.

Manuscripts, review copies of books and reprints, and correspondence relating to the publication of papers should be addressed to the Editor, *Medical History*, The Wellcome Historical Medical Library, Wellcome Building, 183 Euston Road, London, N.W.1.

Medical History is published quarterly in the third week in January, April, July and October.
