**Submissions:** All papers should be submitted in triplicate. An abstract should be included on a separate page. We encourage authors to also send a copy of their manuscript in electronic form, either by e-mail or on a 3.5 inch floppy disk. Where possible, the file should be saved in the 'Word for Windows' format.

**Presentation:** Manuscripts should be double spaced throughout and single-sided. Please allow for generous margins and number all pages consecutively. The author should retain a copy, as submitted manuscripts cannot be returned. All papers should include a word count. Full names of the author(s) should be given, an address for correspondence, and where possible a contact telephone number, facsimile number, and e-mail address. Current and recent academic and professional affiliations should be supplied, together with a list of major publications (with dates and name of publisher) and forthcoming books.

**Style:** Please refer to the *Business and Politics* style guide, which can be found under "Instructions for authors" on the *Business and Politics* website (<http://www.tandf.co.uk/journals/carfax/13695258.html>), for information regarding footnotes, references, and other matters of style. For questions not answered in the style guide, please refer to *The Chicago Manual of Style*, 14<sup>th</sup> ed, or contact the BAP editorial office.

**Tables and figures:** should be prepared on separate sheets using originals where possible; they should not be included within the text. The author(s) should indicate clearly in the margin of the paper where tables and figures are to be inserted. Each table and figure should be numbered consecutively in Arabic numerals with an appropriate caption (e.g. Table 1, Table 2; Figure 1, Figure 2, and so on). Permission to reproduce copyright material must be obtained by the author(s) prior to submission and any acknowledgements should be included either in the text or the caption as appropriate. A camera ready copy of any tables and figures should be submitted in addition to those attached to the manuscripts.

**Proofs:** Authors are expected to correct and return proofs of accepted articles within 48 hours of receipt.

**Early Electronic Offprints:** Corresponding authors can now receive their article by e-mail as a complete PDF. This allows the author to print up to 50 copies, free of charge, and disseminate them to colleagues. In many cases this facility will be available up to two weeks prior to publication. Or, alternatively, corresponding authors will receive the traditional 50 offprints. A copy of the journal will be sent by post to all corresponding authors after publication. Additional copies of the journal can be purchased at the author's preferential rate of £15.00 per copy.

**Copyright:** It is a condition of publication that authors vest copyright in their articles, including abstracts, in Taylor & Francis Ltd. This enables us to ensure full copyright protection and to disseminate the article, and the journal, to the widest possible readership in print and electronic formats as appropriate. Authors may, of course, use the article elsewhere *after* publication providing that prior permission is obtained from Taylor & Francis Ltd. Authors are themselves responsible for obtaining permission to reproduce copyright material from other sources.
