These *Archaeological Reports* are published by the Hellenic Society and the British School at Athens for their subscribers. They are also offered for sale to the public (obtainable from The Editor (Reports), Hellenic Society, 31–34 Gordon Square, W.C.1) at the price of 12/6 (62½p), postage paid. ‘Archaeology in Greece’ is an annual feature, and the occasional reports on work in other parts of the Greek world include South Italy and Sicily (this year), Cyprus, Asia Minor, the Black Sea, etc. In addition there are regular bulletins illustrating new acquisitions by museums in Great Britain.

The picture on the cover is of a barrel-shaped figurine of a centaur, of the Geometric period, from the British excavations at Lefkandi. See p. 9.
