President: Alfred Tarski, University of California, Berkeley-4, California.

Vice-President: C. A. Baylis, Brown University, Providence-12, Rhode Island.

Secretary-Treasurer: Mrs. H. Hungerland, 128 Indian Road, Piedmont-10, California.

THE ASSOCIATION FOR SYMBOLIC LOGIC is an international organization for the promotion of research and of critical studies in the field of formal logic. It is intended to provide a meeting ground for mathematicians and philosophers interested in this field, to encourage cooperation and mutual criticism among various groups, and to promote a wider general knowledge and appreciation of current research and recent advances in the field.

THE JOURNAL OF SYMBOLIC LOGIC is the official organ of the Association. It provides a medium for the publication, in English, French, or German, of research and of critical or expository articles in symbolic logic and immediately related fields. Volume 1 contains a bibliography of symbolic logic for the period 1666-1935; a list
