Modern German Culture and Literature

Toward a Theory of Radical Origin

Essays on Modern German Thought

JOHN PIZER

"Not since Edward Said's *Beginnings* has as much pressure been applied on the vexed concept of origin. . . . [John Pizer] provides illuminating readings of five of this century's most influential thinkers."

—Martin Jay

The Powers of Speech

The Politics of Culture in the GDR

DAVID BATHRICK

David Bathrick argues that dissident East German writers were unique among East European literary intellectuals in that they attempted "to open up alternative spaces for public speech from within [the] framework" of Marxism and state socialism.

Prismatic Thought

Theodor W. Adorno

PETER UWE HOHENDAHL

Prismatic Thought is a brilliant tour of Adorno's work, with special emphasis on his aesthetic writings. Hohendahl examines Adorno's writings on literature, language, poetry, philosophy, and mass culture in relation to modern history.
